Dear Shri Chakravorti,

On my own behalf and on behalf of the University, I thank you and express sincere gratitude for taking the initiative to help your alma - mater to sustain its continuous march to excellence. I confirm the University's deep appreciation for your efforts to form the Global Jadavpur University Alumni Foundation.

I suggest that the University should not in any way remain connected with mobilization, maintenance and auditing of the amount you propose to raise for the Foundation. I also suggest that you may identify the areas in which the amount can be utilized in the best interests of the University. Of course, the University will be very happy to help the Foundation for utilization of the Fund that it will raise.

With warm regards,

Yours sincerely,

Suranjan Das.
