Michigan Truck and Tractor Pulling at It's Finest

We hope everyone is doing well and have been staying healthy. Our tractor pulling season is right around the corner and we are looking forward to it! We have been preparing for the season in hopes that we will be able to move forward with our scheduled pulls in a safe manner. NTPA and Wolverine Pullers will not be canceling any events, however with deadlines that fair boards and other organizations have to meet it is up to the promoter to decide whether they need to cancel or not.

We want to assure you that we are working with our promoters closely to secure the ability to have their scheduled pulls. I have included the most recent schedule as of 4/29/2020. We do have one update; the pull in Blanchard, MI scheduled for June 19th has been canceled. They are currently looking into scheduling a pull with us next year in June 2021.

If we get notices of cancellation or postponement in response to COVID 19, we will relay the information to you as soon as possible via email, Facebook, and our Wolverine Pullers website. We look forward to seeing you all soon and if you have any questions please don't hesitate to contact me. Stay safe and we will see you all this summer!

Take Care,
