June 2022 | Issue 10

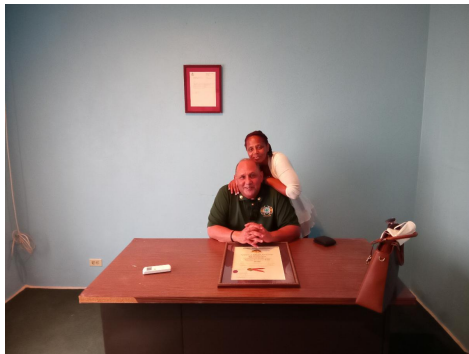

We were invited by the Bahamas Assemblies of God Abaco District to teach and minister at

their Fellowship Service. It was a great time with old friends and an opportunity to make new ones.

We were honored to be with a group of churches in Aruba. It was our second trip there in two years, and 68 participants were introduced to the ministry of chaplaincy. We are assisting the fellowship of churches in establishing their chaplaincy focus.

On June 16, we were able to visit the Hope Plaza in Nassau. The office is almost complete. Electricity is on and the air conditioners are installed. By the first weekend of July, all the interior work will be completed. We are grateful to Apostle Kelson Miller for directing this process.

HOPE PLAZA 90-Day Highlights

- 78 chaplains trained
- 27 counseling sessions
- 2 mission trips

Thank you for your continued prayers and support!
