

March 2022 | Issue 9

We were invited by the Billy Graham Association to attend and participate in the Sharing Hope in Jesus' Name Conference in Orlando. It was great fellowship and

spiritually uplifting. We were able to complete our training as RRT Chaplain Coordinators.

Jonathan had the honor of facilitating leadership training for Won By One Jamaica Ministries in March. The training took place at their facility in Harmons, Jamaica, and had 60 persons in attendance.
