"A Caribbean Focus For Christ"

March 2020 | Issue 1

Late last year in the aftermath of Hurricane Dorian we had the opportunity to serve with the Billy Graham Rapid Response Team as chaplains in The Bahamas. It was a time of sharing hope and seeing many respond to the call to accept Jesus Christ as savior.

Our chaplaincy efforts are continuing during this global coronavirus pandemic. Our current efforts include life coaching, food distributions, live streaming of crisis focused Bible studies, and prayer meetings.

Our ultimate goal is to develop a hope chaplaincy throughout the Caribbean with a Caribbean Base situated in the HOPE Plaza, Nassau, Bahamas. The plaza is being renovated and expected to be completed early in 2021.

Early Saturday, March 14th, during my prayer time, I was prayerfully pondering the possible implications for the Faith communities and what our response would be amid the coronavirus pandemic.

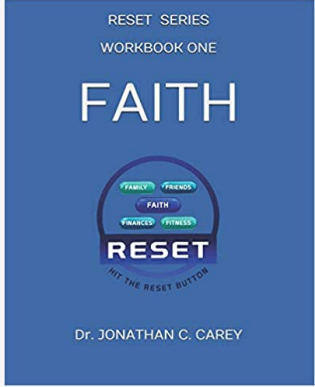

What would ministry look like with the developing restrictions and heartache experienced by our community?

After a while, my thoughts begin to shift from community ministry only to how can a believer in Jesus Christ re-evaluate his or her walk with the Lord and, if necessary, hit one or more reset buttons. *Reset* echoed loudly in my spirit. We believe the Lord will position the church for a harvest of souls in this season. Please know our prayers are with you as you look at a possible RESET.
