

BOOK STUDY AND VIDEO WORKSHOP

As a student, you will explore the theoretical, operational components of chaplaincy while learning from experienced chaplains with real world experience. Students will learn the basics of Christian counseling while learning how to read body language (Paralinguistic Communication) that can reveal what a person is really thinking in times of despair. Students will learn communication techniques that are useful when dealing with police, prison and other emergency services personnel as well as avoid the pitfalls that get a chaplain fired due to a lack of experience, and much more. Upon completion of the 20-hour, 10 week program, you will receive a beautiful certification certificate in Basic Chaplaincy suitable for framing.
