Carefree Hideaway

Here's relaxed beach living at its best. A home that's convenient for entertaining and easy to care for. Impressive two-story living room with fireplace, dramatic outdoor view, kitchen with handy counter for snacks and party serving. You'll spend many pleasant hours in its extra large private patio, ideal for cookouts.

Abundant built-in storage for your bike and other beach gear. Past its mid-level bath, enter a glamorous loft, ideal as bedroom, den or both.

Imagine all the good times you'll have inviting friends to your new home at the beach and how you'll love the beach life. There's nothing like it!
