1B-1 1ST, MEZZANINE & 2ND FLOOR

Plan 1B-1 Bedroom, Bath, Balcony 969 square feet

Year-Round Paradise

It's hard to leave home when it's this superbly designed plan, ideal for busy people on the go. Spacious, yet easily managed, it's filled with conveniences. A fireplace is the elegant focal point of its large living room and dining room areas. A light, airy kitchen has a pantry, snack counter and window where you might want a workdesk. A thoughtfully designed master suite offers spacious bedroom, walk-in closet and compartmentalized bath, its shower and bath with direct access to the master suite. A sliding door provides privacy for the other portion of the bath with a washer/dryer space. Enjoy sunsets and seabreezes from the view balcony with its own storage closet.
