The Ultimate In Elegance, Ease

Travel around the world and you'll never find a more charming home for beautiful beach living. Its large formal entrance opens to an ultra spacious living and dining room area, graced by a cozy fireplace and expansive outdoor view. The kitchen offers abundant storage, large pantry, view window and convenient snack bar counter. From its large master suite you can step outside to the patio and check the morning weather. An "L" shape closet provides wardrobe with extra depth for luggage and other bulky belongings. In the master bath, separate shower and elegant oval tub, compartmentalized toilet and roomy linen storage are everyday luxuries. Double doors lead to Bedroom 2, which can also serve as an office/den with adjacent bath and washer/dryer space.

Lavish as a luxury resort, this Pier Colony home is like having a year-round vacation.
