

A Virtual Training for Therapists & Direct Service Staff who support Women/People being abused

Heather Howe, MSW, RSW

\$60

Learn the following:

- How to identify what your client is already doing to assess her own risk and safety plan.
- How to help your client build confidence in their own risk assessment skills.
- How to work with your client to build a flexible and comprehensive safety plan focusing on 5 elements.
- How to understand and work with barriers to safety planning.

RISK ASSESSMENT & SAFETY PLANNING WORKSHOP
