Norms and Criteria for Fixing up Fees Structure

1. The tuition fee is fixed on the basis of number of educators and their remunerations due to them. 80% of the income from tuition fee is utilized for the salary of teachers.
2. Other fee items like Academic Fees and others are charged for the maintenance of buildings and classroom arrangements, repairs of furniture and fittings.
3. Termly fees are charged for paying up electricity bills, water and other related facilities. And also, special activities like school day, kids' day and payment for school diary, annual magazine etc.
4. Every year, a minimum percentage is added for adding up increments.
