Achievements and undertakings`

- Accepted in Scopus (2022 January)
- Altmetric and Dimensions citation numbers are published in issues
- LinkedIn 1-week feedbacks are provided to lead authors
- The *Rising Talents List* (15 young scientists) – we are open to new suggestions – three (Drs. Carrer, Chauhan, and Meng) are moved to the regular Editorial Board;
- A Wikipedia page is being created;
- As the number of submissions grows involvement of AE-s must increase
- Waiting for Clarivate since Sept. 6, 2022; reapplying to Medline
- Negotiations for cooperation and co-marketing agreements:
 - **Indian Society for Nanomedicine**
 - **Semmelweis University Publishing**
 - SFNano
 - BSNM, ESNM
 - NanoMedNorth

What can motivate submissions to PRNANO?

- Indexed in Scopus;
- Currently, no APC-s or other fees;
- We help authors publish their work;
- Authors fully retain their ownership;
- The journal accepts originals, replications, and negative results;
- Turnaround time is 2-4 weeks from submission to publication;
- Published articles are available to read and download for free;
- We publicize papers on social media
- Quality is guaranteed by a great International Editorial Board
