

BLUEJACKETTECHNOLOGY

# CIOaaS FOR LOCAL GOVERNMENT

*Executive IT leadership for counties, municipalities, and cities*

**Strategic planning, governance, procurement, compliance, and modernization support—delivered as a service.**

**CIO-level guidance  
without adding  
a full-time executive.**

## ✓ WHAT WE HELP YOU DO

- ✓ Build strategic IT plans and action roadmaps
- ✓ Stand up governance, PMO, and portfolio oversight
- ✓ Modernize policies, procedures, metrics, and reporting
- ✓ Guide procurements, RFPs, vendor strategy, and contracts
- ✓ Improve CJIS, HIPAA, PII, NIST, and cyber-risk readiness

## ■ OUR 5-STEP APPROACH

## ■ COMMON GOVERNMENT USE CASES

## ★ WHY BLUEJACKET TECHNOLOGY

- ✓ Public-sector CIO/CTO leadership experience
- ✓ Built on previous local government CIOaaS and assessment engagements
- ✓ Procurement, governance, compliance, and modernization expertise
- ✓ Standards-based approach aligned to NIST, CJIS, HIPAA, and PII needs
