Guest Speaker
Rev. Dr. Ron Fowler

Rev. Dr. Ron Fowler is the Pastor Laureate of Arlington Church of God in Akron, Ohio. He held the position of Senior Pastor for 47 years. The Arlington Church of God has a membership of approximately 1,100. He takes great pleasure in having served over 20 years on the Board of Directors of Anderson University. Dr. Fowler was awarded the first ever lifetime Achievement Award at the Akron Urban League's annual Rev. Dr. Martin Luther King Jr. Day Celebration. He was chosen as the first recipient because he has extended his reach beyond his church to the community. He said he had a great team of mentors and models who encouraged him along the way. "They gave me a sense of direction to do something in your life beyond just getting a job and settling down, but actually contributing to building up others," he said. *"When I think of being the first to which will be a long line of successors, I just feel extremely honored."*
