

# SERVICES

Alpha Porter has a team of highly detailed professionals with proficiency in exterior property beautification. We work closely with property managers and owners to understand challenges and develop customized solutions for each property's needs.

Our team sweeps parking lots, sidewalks, elevators, and breezeways; maintains cleanliness around beauty strips and islands; changes trash liners, cleans common areas, and dumpster enclosures, monitors the building premises for safety hazards, such as substance spills, insect nests, mud daubers, and reports any concerns to management.

Alpha Porter is responsible for cleaning, maintaining, and supporting the daily operations of each property to ensure a clean, safe and profitable environment. We assist with maintenance tasks, perform minor repairs such as changing exterior light bulbs, installing signage, curb stops, and locks.
