2023 CAMP POOL HEALTH & SAFETY RULES

Camper's are expected to follow the Camp Rock Pool Health & Safety Rules at all times. All staff and campers must follow the Pool Health & Safety Rules or be excluded from the pool.

POOL HEALTH & SAFETY RULES

- All individuals using the pool must have a Pool Safety & Liability Form completed. This form will be kept in a notebook at the pool and maintained by the lifeguard. The form will include the swimmer's name, contact information, photograph, and swim test results.
- Campers may only swim when a lifeguard is present. Campers are never allowed in the pool area without being in the direct supervision of camp staff.
- All campers will be evaluated to assess their swimming ability. Swimmers must demonstrate that they are able to do the following:
 - Maintain upright balance in the water;
 - Swim the length of the pool and back without touching the bottom or side of the pool;
 - Tread water for 1 minute without touching the side or bottom of the pool.
- Campers who have passed the swimming test will be given a wristband. This wristband is to be worn at all times to access the full pool. Campers may not enter the pool area without the successful completion of a swim test. Splash pools and water slides are available for those unable to pass the swim test, and campers who are still learning how to swim may take swim lessons.
- Campers must follow the directions of the lifeguard(s) and staff at all times. Campers who do not follow the pool rules will be prohibited from swimming in the pool.
- A buddy system will be in place to quickly account for all campers. All campers will be partnered with a swimming buddy. Buddy checks will be conducted every 15 minutes.
- Running, diving, pushing, roughhousing, and spitting water are PROHIBITED AT ALL TIMES!
- Campers may not get in the pool or use the water equipment with rashes, warts, open wounds or sores. A first aid kit will be available at the lifeguard chair for injuries occurring in the pool area.
- Campers may not enter the pool with visible surface dirt, mud, or creams. Sunscreen should be applied and saturated into the skin before entering the pool. Campers may be asked to rinse before entering the pool.
- Campers may not use the bathroom in the pool. Please use the restroom facilities nearest the pool.

I have read and understand the pool health & safety rules listed above. I agree to follow these rules at all times to ensure a safe pool environment. Parents may sign for minors who are unable to sign.
