

Welcome to The Applebee Preschool!

We are so excited to welcome you and your child to **The Applebee Preschool!**
Our school is a place where children are encouraged to imagine, create, explore, and discover through play. We believe every child is unique, curious, and capable.
We can't wait to learn and grow together this year!

Check-In

Children will check themselves in each morning by moving their name/photo on our classroom chalkboard.

Art Trays

Each child has an art tray by their cubby hooks where you can pick up their wonderful creations.

Health & Safety

To help keep everyone healthy, please keep your child home if they are sick. We ask that children are 24–48 hours past vomiting and fever-free for at least 24 hours without medication before returning.

Our Curriculum

We follow a Reggio-inspired, emergent, guided play curriculum. Our curriculum grows from the children's interests, ideas, and discoveries while teachers thoughtfully guide learning through meaningful experiences, hands-on exploration, creativity, and purposeful play.
