

The Applebee Preschool

Fall/Winter 2020

Greetings!

Happy Fall Y'all! What a gift it is for us to not only have created a child friendly, play space where kids learn at their own pace...but to also see lifelong friendships being formed...that's just the icing on the cake! Even with Covid-19 as a factor, we love seeing playdates begin to happen and outside parties take shape. Thank you for helping us create a community for your children during one of the strangest times in recent history!

We will wrap up October with Halloween activities and talk about farm animals too. On the Thursday and Friday before Halloween we will have class parties. The kids really want to wear Halloween or other theme related Pajama's on those days instead of their costumes. We will gladly abide with their request. Due to Covid-19, we cannot have our annual Applebee Halloween Parade. Instead, we will have class parties in our jammies. We will have a scavenger hunt, decorate pumpkins and create some tasty treats with each class. We promise to make it fun for the kids.

Picture proofs and our new Applebee T-Shirts are in! They are both too cute!!!!

Our November and December themes will be Birds, Pets, Families and everything Winter. We will prepare Stone Soup with the kids just before Thanksgiving. More info coming soon!

Snowmen are magical...

Birds of A Feather

Birds of a feather stick together! As we start off November, we will explore all things birds. From Hummingbirds, eagles and owls to turkeys and more... we will explore their habitats and family life.

Pets, Pets & More Pets!

Watch as we transform our playhouse into a veterinary office! We will create charts and lists as we discover what it takes to care for our favorite pets. Our vet office will have a phone, vet tech items, x-rays, a waiting room and lots of fluffy pets to care for.

Thankful Tree Centerpiece

Thankful for our Families

What are we thankful for? Our families and our friends of course! We will talk about what it means to be part of the community and celebrate this by making our own Stone Soup together! We will send out more info. About Stone Soup in November!

Winter/Snow/Ice

Do you want to build a Snowman? Brrrr, as the cold weather arrives, we will begin to explore our own winter weather: rain, rainbows, clouds, hail, thunder & lightening, snow, snowmen, snowflakes as well as animals who hibernate.
