

Architectural Hardware

ACCUFIT **HARDWARE**

Accufit hardware promise to provide our customers with high quality products combining the performance, reliability, value and delivery that meet their requirements.

To continually improve all company functions to ensure our ability to respond to customer's need and provide an acceptable quality.

Our work must be high quality to make quality products. We have not only sale the product but also the quality.

TECHNOLOGY

We implement latest technology in process with modern machinery to deliver best products with enhanced performance. Over goal is to motivated us to accept challenges and come as widest range hardware manufacturer.

MANUFACTURING

We have workers who have more than a decade of experience on various machines that's why we achieved total quality standards.

WHY US?

Here are some of the aspects that have helped us in keeping our selves ahead of our competitors and preferred business associates of our clients.

EXPERIENCED & RELIABLE

We, Accufit Hardware | MJK Exports are in business of custom manufacturing architectural and furniture hardware since 1994, our vast technical experience and in-house modern factory floor has all the required expertise and resources to produce your custom branded metal hardware both in medium and large volumes, be it CNC machined, deep draw sheet metal, or tubular bent parts.

OUR ENGINEERING

Equipped with solid works , 3D printers, state of the art CNC Machine shop, press shop, polishing and electroplating, we are full service provider for any of your hardware manufacturing needs.

CUSTOMER SATISFACTION

Accufit Hardware | MJK Exports will be honest and responsible in our dealing with customers, suppliers and employees.

We'll provide products and services that meets or exceed the expectations of our customers, while relentlessly pursuing continuous improvements and innovation in everything we do to create a significant competitive advantage compared to our competitors.
