ABOUT COMPANY

MJK Exports was founded in 1994, and originally supplied simple metal artware items. Over time, our capabilities grew and today we are dealing in door accessories, window accessories, bathroom accessories, metal nameplates, lighting and other custom manufacturing components.

Some of our capabilities include:

- Solidworks designs
- CNC machining
- CNC tube bending
- Laser cutting and Sheet Metal Works
- Electroplating and PVD coatings
- Customized Packing
-

To ensure prompt processing and delivery, we maintain extensive inventories of metals and plastics used for custom nameplate and hardware items.

Our 25+ years of experience producing metal ware allows us to be the ideal supplier for any industrial, commercial application, and our processes and strict adherence to customer specifications, ensures that we produce the most durable custom metal nameplates and hardware available in the industry
