A look at Ave Rides role in the community

A LETTER FROM THE OWNER

***THANK
YOU FOR
CHOOSING
AVE RIDES***

Dear Ave Rides Family,

Thank you—genuinely and sincerely.

Ave Rides was built with one simple goal: to serve this town well. From day one, my vision has been for Ave Rides to be fully ingrained in the culture of Ave Maria—not just as a transportation option, but as a true staple in the community. A familiar name. A trusted service. Something people are proud to support and recommend.

Every ride you book matters. Every review you leave, every like, comment, share, and referral means more to me than you may realize. Those small actions don't just help a business—they help support drivers, students, families, and a growing local ecosystem right here in our town. You are directly contributing to something bigger than a ride from point A to point B.

I don't take that lightly. Your trust, your feedback, and your continued support push us to raise the bar and do things the right way. Ave Rides exists because of this community, and my commitment is to continue giving back by showing up consistently, operating with integrity, and serving Ave Maria with pride.

From the bottom of my heart—thank you for riding with us, supporting local, and helping build something meaningful together.

With gratitude,

Savohn Hunt

Founder & Owner, Ave Rides

ABOUT AVE RIDES

FROM SUPPORTING HIS FAMILY TO SUPPORTING HIS COMMUNITY

Ave Rides was founded in 2022 by Savohn Hunt during a pivotal season of life. At the time, Savohn and his wife Emily were living paycheck to paycheck and had just learned they were expecting their first child, which motivated him to find a way to earn extra income to support his growing family. What began as a simple idea quickly turned into a solution for a larger need, as reliable transportation options in Ave Maria were limited.

From the start, Ave Rides was built to be more than a ride service—it was created to be fully engrained in the culture of Ave Maria and become a true community staple. Since opening in 2022, Ave Rides has proudly served the area for over three years, completing thousands of rides for residents, students, families, and visitors. Every ride, review, like, comment, and referral has helped support local drivers and families while strengthening the community Ave Rides is proud to call home.

LOCAL. RELIABLE. COMMUNITY-DRIVEN.

AVE MARIA, A BIG KIND OF SMALL TOWN

Ave Maria, Florida was founded by Tom Monaghan, the former founder of Domino's Pizza, with a vision of creating a master-planned town rooted in faith, family, and strong moral values. Established in the early 2000s, the town was intentionally designed to place community, education, and worship at its center, most notably through the Oratory and Ave Maria University. From the beginning, Ave Maria was built to be a place where people could live with purpose and connection.

Over the years, Ave Maria has grown into a vibrant and welcoming community made up of families, students, retirees, and visitors from across the country. While the town continues to expand, it has remained true to its founding vision of fostering relationships, supporting local businesses, and maintaining a strong sense of identity. Ave Maria stands today as a unique town where faith, community, and everyday life are deeply intertwined.

HOW DID WE GET HERE?

AVE RIDES MILESTONES AND MAJOR VICTORIES

1ST RIDE COMPLETED - JUNE 5, 2022

The first official Ave Rides trip was completed on June 5th, 2022, marking the beginning of the journey. That single ride confirmed there was a real need for reliable, local transportation in Ave Maria. It set the foundation for the service-first mindset that continues to guide Ave Rides today.

1ST GOLF CART RENTAL - SEPTEMBER 2023

In September 2023, Ave Rides completed its first golf cart rental, officially stepping into the rental side of the business. This milestone reflected the unique transportation needs of the Ave Maria community. It also opened the door for new ways to serve residents and visitors beyond traditional rides.

AVE RIDES APP RELEASED

The Ave Rides app was released to simplify the transportation process for everyone in town. It made booking rides easier, faster, and more accessible for residents, students, and guests. The app reinforced Ave Rides' commitment to convenience, reliability, and innovation.

AVE RIDES CELEBRATES 3 YEARS IN BUSINESS

Year three became the strongest year in Ave Rides' history, both financially and operationally. During this year, Ave Rides surpassed the 3,000 rides completed milestone, a powerful indicator that the service was truly helping people who needed reliable transportation. This achievement reflected the trust placed in Ave Rides by the community and the real impact being made every day.

AVE RIDES X ALL FOR CHRIST COLLAB & LMCU MUSSEL UP FOR THE COMMUNITY AWARD

During its third year, Ave Rides was able to do meaningful work beyond transportation, including partnering with All For Christ to give away free rides to residents in Ave Maria and Southwest Florida. This commitment to service was recognized when Ave Rides won the LMCU Mussel Up For the Community Award, presented by the Fort Myers Mighty Mussels. The award honored Ave Rides for its dedication to uplifting and supporting the community it proudly serves.

THE BEST OF AVE MARIA

Ave Maria offers a wide range of activities that bring the community together and give residents and visitors plenty to enjoy year-round. One of the most popular destinations is the **Ave Maria Water Park**, a favorite for families, students, and anyone looking to cool off in the Florida heat. With water slides, a lazy river, and plenty of space to relax, it has become a central gathering place for fun and connection. It's a must-visit spot that perfectly captures the town's family-friendly atmosphere.

Another great way to experience Ave Maria is by attending an **Ave Maria University sporting event**. From football and basketball to soccer and baseball, Gyrenes games bring energy, school spirit, and community pride. Whether you're a die-hard sports fan or just looking for a fun night out, the atmosphere makes every game feel special.

AVE RIDES BUILT BY AVE FOR AVE

PHOTOGRAPHY BY AVE
MARIA UNIVERSITY
ATHLETICS

Ave Rides was built with community at the center of everything it does. From the very first ride, the focus has always been on serving people—not just providing transportation. The goal has been, and continues to be, to become fully engrained in the culture of Ave Maria and a true staple in the community.

One of the most meaningful ways Ave Rides gives back is through its partnership with All For Christ. Together, they have been able to give away free rides to individuals and families in need throughout Ave Maria and Southwest Florida. This initiative reflects Ave Rides' belief that transportation should never be a barrier during important or difficult moments.

Ave Rides is also proud to support the community through local sponsorships and events. The company sponsors Ave Maria University athletics, along with other local schools and community gatherings, helping strengthen school spirit and community connection. These efforts allow Ave Rides to stay actively involved in the places and people it serves.

Creating local jobs is a core part of Ave Rides' mission. The business provides flexible employment opportunities for college students and local residents, allowing them to earn income while remaining rooted in the community. By hiring locally, Ave Rides supports families and keeps economic impact close to home.

The community's support has been recognized through meaningful honors. Ave Rides was voted a Neighborhood Favorite by Nextdoor, reflecting the trust and appreciation of local residents. The company also received the LMCU Mussel Up For the Community Award, presented by the Fort Myers Mighty Mussels to a transportation company making a clear impact by creating jobs and supporting the local community.
