San Joaquin Valley Scale Modelers History

The Club was started in 1983 as the "Stockton Tomcats" a Chartered Club of IPMS-USA. Over the years, we have held meetings at numerous places with several goals in mind; share modeling ideas; help other modelers and gather in a very none structured setting. We started at the Seifert Community Center in Stockton, CA were we held several local and regional model contests. Next we met at Modesto Hobby and Crafts for many years until Brad closed the store. Then we started meeting at Alan Weber's hanger at the Stockton Airport. Tony Quartaro joined the club and we started meeting at his house/garage in Manteca, CA. Now we hold meetings at both Tony's or Alan's depending on the circumstances. Many of our club members have entered and won awards and judged at many Local, Regional and National contests. Now we are known as the San Joaquin Valley Scale Modelers (SJVSM). Currently we are not a Charted Chapter with IPMS-USA but many in our club are Members of IPMS-USA.
