

# PigAbilities Meetup

Join Hamilton County Developmental Disabilities Services and Queen City Running Club to get ready for PigAbilities!

**PigAbilities is a one-mile event during Flying Pig Weekend in May that allows participants and their supporters to run, walk or roll at their own pace and cross the official Flying Pig Marathon Finish Swine!**

**2-3p.m. Sundays

See attached calendar

PigAbilities Meetups will cover distances ranging from 0.25 miles to 1 mile, along accessible\* routes. We'll provide water, plus a chance to socialize and connect with others.
