

PigAbilities Meetup

Join Hamilton County Developmental Disabilities Services and Queen City Running Club to get ready for PigAbilities!

PigAbilities is a one-mile event during Flying Pig Weekend in May that allows participants and their supporters to run, walk or roll at their own pace and cross the official Flying Pig Marathon Finish Swine!

**2-3 p.m. Sundays
March-April**

See attached calendar

PigAbilities Meetups will cover distances ranging from 0.25 miles to 1 mile, along accessible* routes. We'll provide water, plus a chance to socialize and connect with others. This is open to everyone!

Questions? Contact Ann Myres
513-703-2138 or ann.myres@hamiltontddsohio.gov

***Snow may affect route accessibility.
