TM

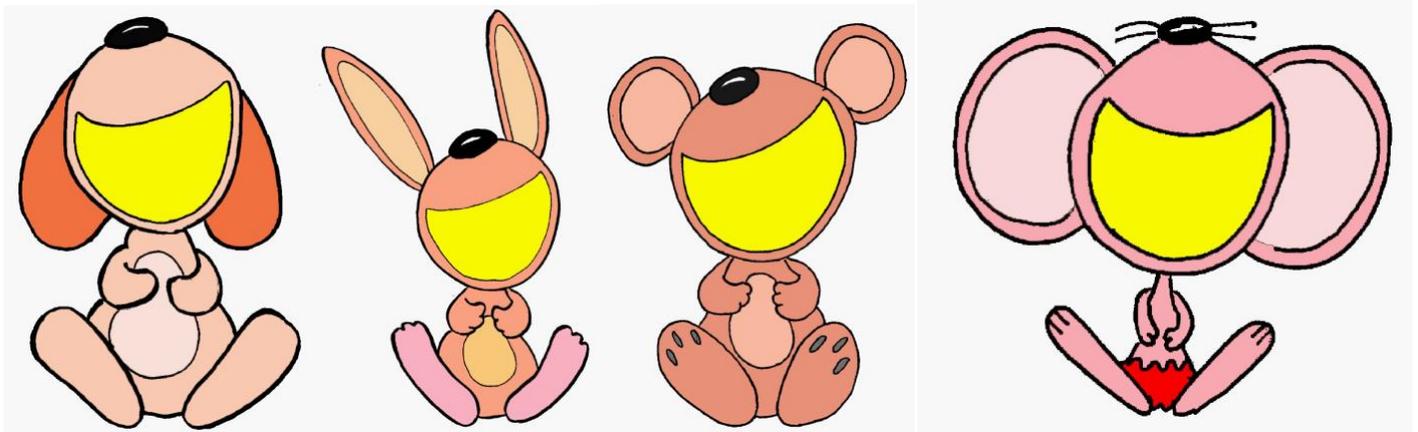

# PRE-HYSTERICAL ANIMALS

TM

Hysterical Animals are the creation of Alex Fedotowsky ( copyright 2002-2020, TM, all rights reserved)

They are lovable characters for toddlers and children created to remind them laughter is the best medicine and contagious to all ages. They make great logos and decals for children's apparel and plush toys. They illustrate extreme happy emotions to delight their fans. Their market reach can equal " Hello Kitty" driven by the right investors, right products marketing strategy.

Examples illustrations of Hysterical Animals include the following;

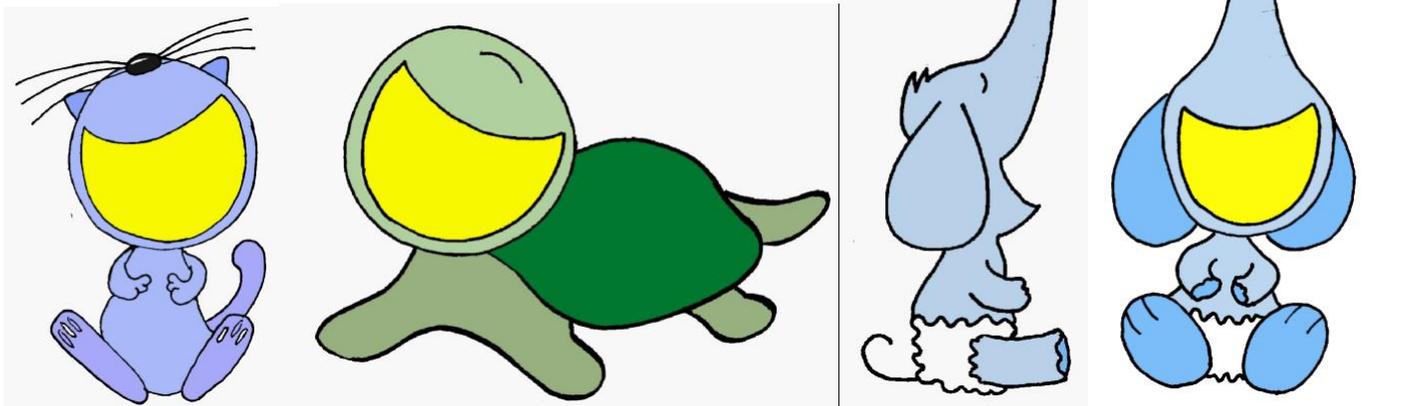

Dingle Dog

Funny Bunny

Laughing Bear

Housie Mousie

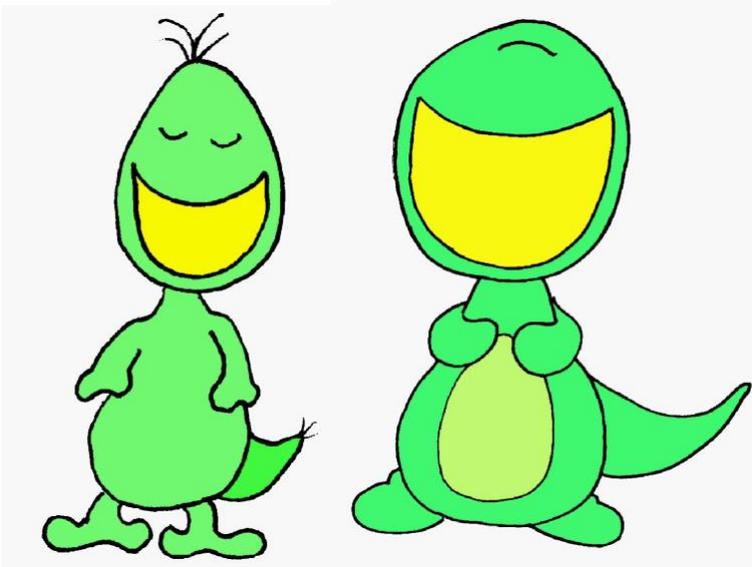

Witty Kitty

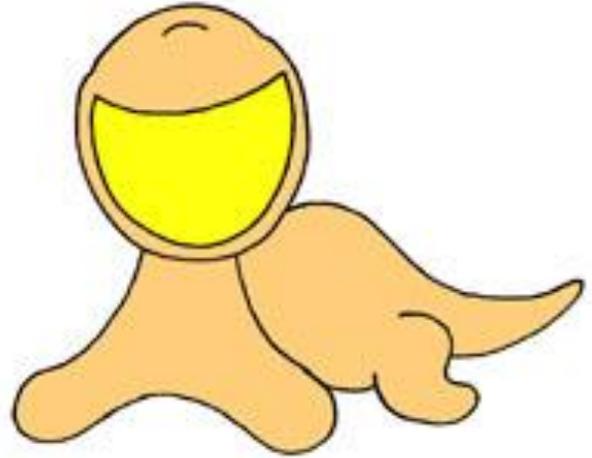

Teasing Turtle

Happy Elephant

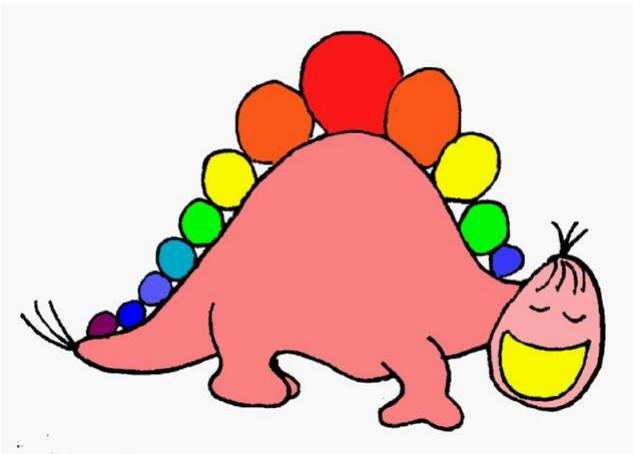

Examples of **Pre-Hysterical** Animals include the following;

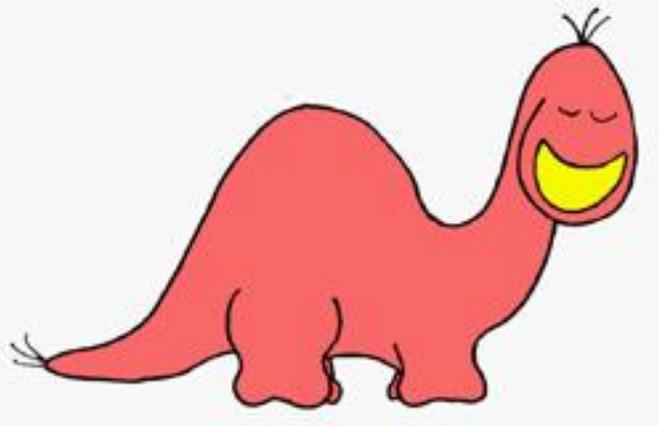

Tee-Hee Rex

Baby Beaming Bronto

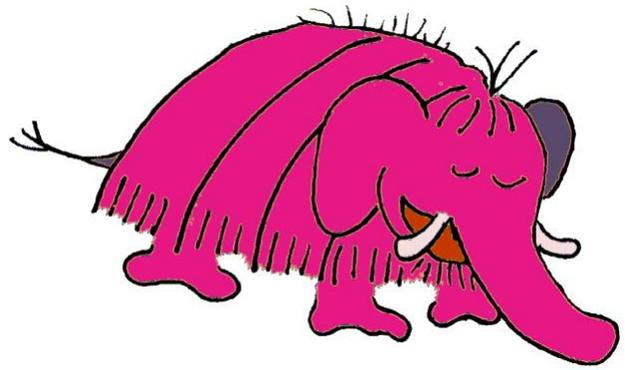

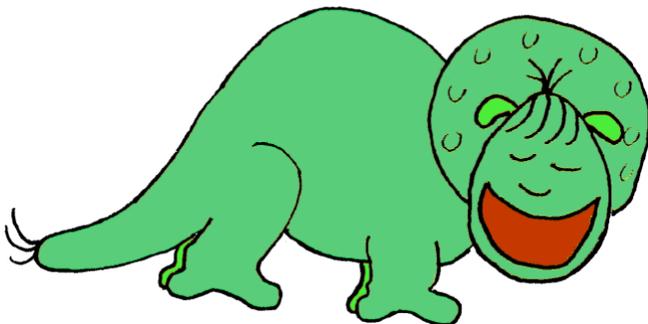

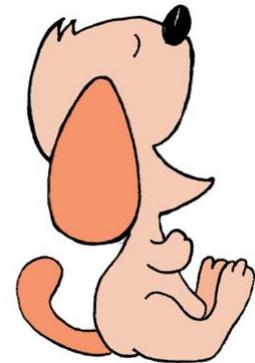

Stego Baby

Beaming Bronto II

Apparel & T-shirts for kids

Merchandise
