

## NC Concealed Carry Class

THIS IS NOT A BASIC INTRODUCTION TO FIREARMS CLASS.

This course consists of 8 hours of classroom instruction, a passing grade on a written test as well as range qualification. You are expected to be knowledgeable and proficient with the operation of your handgun prior to class.

Range qualification consists of demonstrating safe handling of your handgun, proper presentation techniques and scoring 21 out of 30 hits on the target firing 10 shots each from 3, 5 and 7 yards.

**DO NOT BRING FIREARMS OR AMMUNITION INTO THE CLASSROOM UNTIL DIRECTED TO DO SO**

**Participants will need to bring the following items on the day of class:**

- - A clean firearm in good working order.
- - 50 rounds of matching, target grade ammunition. (No Reloads)
- - Notebook with pen
- - Eye Protection for shooting
- - Hearing protection rated for shooting
- - NC Drivers License
- - Lunch, snacks & drinks

**Topics which are covered in this course are:**

- Legal Issues
- Handgun Safety
- Handguns
- Marksmanship Fundamentals
- Carry Concealed safety Issues
- Presentation Techniques
- Cleaning and Maintenance
- Ammunition
- Proficiency Drills

Upon successful completion of the class, you will leave with the certificate required to file for a NC Concealed Carry Permit with your local Sherriff's office, valid in 36 states.

We look forward to a fun, relaxed day of training. We also know your time is valuable so we will make every effort to make your commitment to this endeavor as worthwhile as possible.
