PARENT/GUARDIAN SIGNATURE: _____ **DATE:** ____/____/____

SCHOLAR ELITE BASKETBALL AFTER-SCHOOL PROGRAM FEE: \$150 PER WEEK
due by EVERY FRIDAY.

SCHOLAR ATHLETICS AFTER-SCHOOL PROGRAM PRINCIPLES & RULES

Welcome to the 2024 Scholar Athletics After-School Program!

Scholar Athletics LLC was established to help build stellar student-athletes through commitment, dedication, and hard work. Our goal is to provide our student-athletes with skills training and educational support. We want to see all our student-athletes reach their athletic goals as well as their academic goals. Our After-school Program runs Monday through Friday from 2:30 pm to 5:30 pm. Our student-athletes will receive help with their daily homework, tutoring, and basketball skills training twice a week.

STUDENT EXPECTATIONS

Effort

1. Work as hard as you can all the time. Effort is the basic expectation in all we do; it's the beginning of everything.
2. Listen to the tutors and coaches. Remember that they are trying to help you be a better student-athlete.
3. Always come to the after-school program prepared with your homework for the day and your gym clothes and shoes. On basketball skills, training days run from one drill to another. We've got to outwork teams in practice before we can ever expect to beat them in games.
4. Communicate with your tutors regarding the lessons you may be having difficulty with so they know what areas to concentrate their support to. Communicate with your teammates during each drill to one another. The coach should call the drill just once.
5. Only sit at practice if instructed to do so by a coach.

Attendance

1. Student-athletes are expected to attend every after-school and basketball skills training session, meeting, and game. This includes injured student-athletes and those who, for one reason or another, are unable to participate.
2. No student-athlete will be excused from after-school/basketball skills training unless he/she informs the coaches of his/her legitimate excuse before 2:30 pm. If the After-school Program Staff is not informed beforehand, it is considered an unexcused miss, no matter what the excuse was. The After-school Program Staff should be told in person (not by your friend) or via team chat on the Sports You App.

3. Each student-athlete should be aware that all missed skills training sessions, both excused and unexcused, hurt his/her chances of competing in games because they limit time to learn the skills necessary to help the team.
4. Attendance is taken at the beginning of each after-school session. Everyone should be on time for every practice.
5. Every effort should be made to attend weekend and holiday skills training sessions. Advise the coach of any family conflicts or work commitments that will make you miss.
6. Student-athletes who cannot practice because of injury should be close to the coaches so they don't miss instruction.

Behavior

1. Address the Coaches and Program Staff as "Coach" or with his/her last name (for example: Coach Alvin, Mr. Donald, or Ms. G).
2. No foul language should be used when speaking to your fellow teammates, Coaches, Program Directors, Game Officials, or Spectators at games.
3. Do not talk when a coach is talking.
4. Show respect in all dealings with coaches, teachers, teammates, fellow students, and opponents.
5. **Alcohol, tobacco, and other drug use is prohibited.**

Skills Training Sessions

1. Be on time for every skills training session. Get into the gym or park and begin the pre-session warm-up.
2. Always come to skills training sessions prepared and ready to work. Be sure to wear your team-issued practice tee/ jersey; have on the proper footwear (no slippers or Crocs). Make sure you have your water bottle and towels ready to use during each session.
3. Always check the Sports You App before 2:30 pm for announcements and information about after-school skills & training sessions.
4. Student-athletes are to be appropriately dressed when leaving the after-school. Take the time to change out of your training gear back into your street clothes. It is important to our team that you keep yourself healthy and leave the gym/park dressed appropriately in public.
5. Wash training gear every weekend.

Eligibility and Academics

1. No student-athlete may participate in the Basketball After-school Program without a completed and signed Registration Form turned in to the Scholar Elite Program Director, Ms. G.

2. Student-athletes must remain eligible by passing all their core subject classes at all times. The Scholar Elite Basketball Program Staff will check to see that you are making good progress in all your classes. Grades below C will draw consequences. Reports must be presented to Scholar Elite Basketball Program Staff so we can see where additional academic support is needed. We strive for all our student-athletes to achieve a 3.0 or higher GPA.
3. School comes first. Those who don't do their schoolwork will not be allowed to participate in skills training sessions.
4. Basketball is never an excuse to get out of academic responsibilities.
5. Student-athletes are expected to behave in class. Your behavior reflects on your coaches and teammates. Missing after-school sessions because you feel like goofing around or being a jerk in class is very selfish because it hurts the program. It also shows a lack of discipline and student-athletes who can't be disciplined as students can't suddenly become disciplined on the court. **Skipping class is not allowed.**
Student-athletes with grades at or below 75 will not be eligible to be considered for the starting line-up.

Player Health

1. Student-athletes should make every effort to maintain healthy eating and sleeping habits. **Alcohol, tobacco, and other drug use are prohibited.**
2. Student-athletes should immediately report any injuries to the coaching staff and Program Director.
3. Coaches and Program Director will also occasionally make calls to check on a player suffering from illness or injury. Please keep the Scholar Elite staff updated on these situations.

Travel

1. Always represent your team, school, and family in an excellent manner. You are expected to behave as a proper young adult.
2. Leave gyms and playgrounds/parks clean.
3. Always be on time for training sessions and game locations. Scholar Elite Staff will work with student-athletes to facilitate transportation to games that are played outside the NYC area.

Game Floor

1. Basketball is an emotional game, and strong emotions are integral to any good basketball team. Losing control of those emotions, however, is not acceptable.
2. Sportsmanship toward opponents, officials, and spectators is always expected. In the heat of 'battle', people make mistakes. If that happens, we will get you out of that

'heat' by removing you from the contest until the coaches deem you have collected yourself.

3. If losing your composure becomes a pattern, we will develop a plan to improve that situation. That plan may involve a decrease in playing time.

4. student-athletes who receive technical fouls or who don't show proper respect toward officials and opponents will be assigned running at practice. Continued problems will lead to missed games and possible dismissal from the team.

Consequences for Violators of Program Rules:

1. Minor infractions, such as non-habitual tardiness; low-but-passing grades; minor behavior issues, or clothing/uniform issues, will qualify the student-athlete to run a dog-house derby gauntlet or other extra running.

2. Major infractions, such as unexcused absences, gross misconduct, insubordination, or unresolved failing grades, will draw a one-game suspension in addition to extra running.

Expectations of Parents/Guardians/Spectators:

1. Please communicate any areas of concern with the Scholar Elite Staff. We are here to support and help you and your student-athlete. We are a team. We will work with you to help your student-athlete excel both in school and in basketball.

2. Cheer for your student-athlete and their teammates and exhibit good sportsmanship. The Scholar Elite Program is competitive but fun.

3. Support the coach by enforcing the team's expectations and rules with your student-athlete.

4. Please refrain from sideline coaching your student-athlete during practices and games. Student-athletes need to learn that their team coach(es) are the only "coach" they should be receiving instructions from during practices and games.

5. Please be respectful towards your student-athletes teammates, their parents/guardians, all coaches, and game officials. Disrespectful behavior from parents/guardians towards Scholar Athletics Staff, your student-athlete teammates, or game officials will result in your student-athlete being dismissed from the program. **NO** refunds will be provided if your student-athlete is dismissed from our program.

6. Please ensure your student-athlete has transportation to get to after-school, practices and, games. If assistance is needed, please reach out to either the team coaches or the Program Director.

******PARENTS/GUARDIANS: PLEASE INITIAL YOUR ACCEPTANCE OF THE FOLLOWING TERMS:**

_____ I have read the Scholar Elite Program Principles and Rules.

_____ I understand the Consent, Certification, and waiver of claims for damage.

_____ I accept any restrictions on spectators that may be implemented.
