DAYS

CLEAN SMARTER, NOT HARDER.

THE WORLD'S FIRST & ONLY PATENTED URINAL SCREEN
to catch the drip, fight the stink,
and stop the splash.

Patented
funnel design

Stays in place -
no float on flush

Catches the
drips

THE U-R-IN® DIFFERENCE

No Drips, No Slips

Patented funnel catches drips before they hit the floor.

Less Cleaning Time

Less mess = faster, easier janitorial work.

Recyclable

Smart design meets responsible thinking.

94%

of commercial restrooms **experience**
urine drips on the floor, even with
conventional screens installed.*

Source: ISSA, Cleaning Management Institute, internal field trials

DAYS

THE DRIP STOPS HERE.

Our **patented screen captures the residual drips** that cause odors, slips, and endless cleanup. Whether you're managing a busy station, corporate suite, or stadium restroom — **U-R-IN® screens** keep your floors dry and visitors happy.

Elongated
design

Helps reduce
bad smells

Circular
design

FRAGRANCE MEETS FUNCTION.

"I'm **Drippy**.
I used to be a
problem... now
I go straight
down the
drain."

Stopping Drippy in His Tracks

From zesty citrus to deep woods,
U-R-IN® offers premium fragrances.

- ✓ Slow-release scent, over time
- ✓ Premium fragrance oils
- ✓ No overpowering chemical smell
