

Dear Businesses, Families and People of Good Will:

Please consider supporting the important work the Shevlin Family Foundation provides in our community. This October marks the beginning of our 8th year serving those affected by addiction. Our Gala directly supports our scholarship program which provides food, housing, transportation, legal advocacy, family support and other practical items for those just completing addiction treatment and are financially vulnerable.

The Shevlin Family Foundation's primary concern are those in early recovery who struggle with obstacles as they begin again. Our work also includes harm reduction, education, and quarterly outreach in marginalized communities. Our Men's Sober Living Program provides a transitional living community for five men in long-term recovery in Chester. Our Family Support Program encourages families as they cope with their loved one's addiction, recovery, or loss. Our non-profit services are lifesaving and impossible to deliver without your help.

As a public charity, we rely on donors, collaborators, and business partners to help fund our mission! You can make a difference in the lives of those striving to heal from addiction. Please see unique sponsorship opportunities on the next page and thank you, in advance, for your generous support!

Very Truly Yours,
Christine Shevlin Rizzo, Executive Director
The Peggie and Paul Shevlin Family Foundation
501(c)(3) tax-exempt charitable organization (#47-5334145)

Help those in Recovery from Drug and Alcohol Addiction!
