Mission *and* Vision

Mission Statement

Our mission is to encourage and uplift women who have experienced sexual abuse and assault. This Project also aims to help those who have experienced human trafficking and homelessness.

Vision Statement

Our vision is to provide the tools and knowledge to enable women to have a successful and prosperous life.

About

The Teal Flower Project is inspired by The Teal Ribbon Campaign, which raises awareness for those who have experienced sexual assault. Founded in 2025, The Teal Flower Project was created in response to the increasing demands of our community and environment specifically in Cincinnati and Dayton, OH. Our goal is to provide everyday essentials to alleviate hardship, promote wellness, and encourage those in need. An additional goal is to build a community where members can participate in different events and share their experiences, ideas, and expertise with one another.
