# MAROON ENVIRO STRIPPING PAD

**new!**

## Environmentally Conscious Non-Woven Stripping Pads

Next time you order Norton Floor Pads ask about our New Maroon Stripping Pad! These new 1/4" pads are used without hazardous stripping chemicals making the process more environmentally friendly. When you strip with a caustic agent the operator has the chance of a chemical burn and then they have to dispose of the liquid after use which retains its high acidic nature. With our pad only requiring water, we cut out the chemical safety & hazardous disposal issue.

Maroon Stripping Pad is available as non-stock in sizes 12"- 20" and 10 pads/case.

**FEATURES**

- Resilient Construction
- Grain/Fiber Combination

**BENEFITS**

- Lasts Longer Cuts Faster
- Grinding Ability Increases Production
- Thinner Pad Means Less Waste
