

# Scholarship 2025

The Brown County Men's Golf Club will be awarding \$2,000 in non-renewable education scholarships (typically two \$1,000 scholarships).

Criteria for this award include:

1. The student must be accepted by or currently attending a college or technical school for a two- or four-year program.
2. The student must have played on their high school golf team, currently plays on their college golf team, or currently works in or around the golf industry.
3. The student must be nominated by either a golf coach, teacher/professor, employer, or a Men's Club member.
4. The student must include with the application a personal statement on how golf or the golf industry has influenced their life.

A statement of financial need is not required.
