

2026 NEWSLETTER

Message from the President

Welcome to the 2026 Brown County Men's Club Season!

We're excited to kick off another fantastic year of golf, camaraderie, and community! This will be our 67th year. BCMC is one of the longest running and largest men's golf membership in the State of Wisconsin.

This season isn't just about great shots and friendly competition—it's about creating an environment where **fun comes first, respect is the standard, and giving back makes us stronger.**

Fun: Golf is a game we all love, and this club is about enjoying every round, every laugh, and every shared moment on the course.

Respect: Whether it's for the game, the course, or each other, respect is what keeps our club thriving.

Giving Back: We're proud to support youth golf programs and help inspire the next generation of players. Your participation helps us make a difference beyond the fairways.

Below are some key changes for 2026, but we want to direct everyone to the Website for the most up-to-date info. Dues will be increasing, and you will be receiving more benefits than ever before. We hope to see you all at the Spring Meeting where these changes will be further discussed.

Here's to expanded friendships and lifelong memories. Let's tee it up and make this year unforgettable! ~ Jim
