

It's all about setting the merchant up the right way!

With the right codes, flags & Cost-Plus Interchange

*There are hundreds of SIC / MCC codes and most merchant processors and banks with years of experience don't understand the fundamentals of these codes and the requirements to qualify correctly at the lowest possible interchange rate. (Emerging Markets, B2B SIC/MCC Assignment)

Levels of processing, based on identified B2B SIC/MCC*

- ❖ Level I (Retail/Restaurant/eCommerce/etc.)
- ❖ Level II (B2B – Retailers selling to business customers, manufacturers.)
- ❖ Level III (P-Cards, B2B, B2G, G2G.)
- ❖ Non-Profits (SIC Code: 8398 - Religious and Charitable Org)
