- Rainouts: Any game that has been called for a rainout/cancellation must be done 2 hours prior to scheduled game start time and will be made up at the first opening on the schedule, subject to volunteer availability, pursuant to the scheduling by the Player Agent. A game is considered canceled unless the game has met the minimum required innings (4) to be considered a completed game.
- If a ball, while in play, exits the field of play through the open walkway in centerfield, it shall be called a dead ball by the umpire and if the ball was hit through the opening prior to a fielder touching the ball, it shall be ruled as an infield double, with all base runners advancing appropriately per Little League's Official Playing Rules.
- On the upper Ringe Field, any ball hit into left or right field and striking one of the power lines traversing said fields, the umpire shall first determine if the ball was fair or foul when striking the power line. If the ball is determined by the umpire to be fair, it shall be declared a home run by the umpire. If the ball is determined to have been in foul territory when striking the power line, the ball shall be immediately declared a foul ball by the umpire.
- The areas between the dugout and the 'next batter' protective fence, shall be marked as a dead ball area and the umpire shall declare dead ball if at any time during play a throw or miscue results in the ball ending in or passing through one of these areas.

The intent of this provision is to ensure that all teams are equally balanced and play with the same size roster and with the same minimum playing time rotated amongst the entire team. - Draft will be conducted by the PLAN B - REDRAFT. (Regulations - Operating Policies, Local League Draft Methods – Methods for Existing Leagues).
- Each manager has two (2) minutes, from the time the previous team has made their selection, to draft their player.
- Only the manager and eligible one coach per team will be allowed in the draft.
- If a player(s) needs to be called up from a lower division the manager(s) must notify the Player Agent. The Player Agent will provide a list of eligible players to the manager. The Player Agent will notify the player, Manager and parents after selection has been made. The Player Agent will notify the lower division Managers if a player is drafted. The drafted player reports to the new team as soon as possible. The Player Agent will arbitrate any disputes arising from draft dates.
- The YLL has adopted the Little League option of prohibiting the replacement of players during the last two (2) weeks of the regular season. If a player refuses the draft or will not play for the team for which he was selected, the Player agent and/or Board shall make an objective determination if the reasons for refusal are valid. If the determination reveals a valid reason for the refusal, the player shall return to his/her original team with no repercussions. If, however, the reasons for refusal are determined to not be valid, he/she will have the following options per the Little League Rules.
 - Returning to the prior League and placement on the team from which the player is eventually selected for the remainder of the season and becoming eligible for the draft the following season, OR

- Not playing for the remainder of the season and becoming eligible for the draft the following season.

5.2 OPTIONS ON SONS, DAUGHTERS AND SIBLINGS

An option is an agreement between a manager and the Player Agent covering a special condition. All options must be in writing (except No. 1) and be submitted to the Player Agent at least 48 hours prior to the draft.

Under Plan B – REDRAFT METHOD, because there are no players returning to a particular team, and because coaches cannot be named until draft is completed, with the exception of eligible coaches, having coached with the same team and same manager for at least one year prior (majors and above) Options 2 and 4 (see “Options On Sons, Daughters And Siblings”) do NOT apply when using this draft method.

The options are as follows:

1. Brothers/Sisters (step included) in the Draft: When there are two or more siblings in the draft, and the first brother or sister is drafted by a manager, that manager automatically has an option to draft the other brother or sister on the next turn. If the manager does not exercise the option, the second sibling is then available to be drafted by any team.
2. Brothers/Sisters of Players Currently on a Team: If desired, a manager shall submit an option in writing on a draftee if the player candidate's brother or sister is a member of that manager's team. If such an option is submitted, the manager MUST draft the sibling within the first three draft selections.
3. Sons/Daughters of Managers: If a manager has sons and/or daughters eligible under Regulation II for the draft, and wishes to draft them, he/she must submit the option in writing. If so stated, the parent/manager is required to exercise the option at or before the close of the specific draft round, depending on the League Age of sons and/or daughters. Parent/manager option takes priority over any other option.

NOTE: These provisions also apply for managers having eligible brothers or sisters in the draft.

4. Sons/Daughters of Coaches: A returning coach, through the manager, may exercise an option in writing to the Player Agent provided:

- (A) The coach has served as a manager or coach in Little League (at any level) over the past two years AND,
- (B) The coach is returning to the same Major League team as last year.

IMPORTANT: In order for a manager to exercise this option, the coach must qualify under BOTH conditions above. (Regulations - Operating Policies; Options on Sons, Daughters and Siblings.)

5. Draft Rounds: If an option is submitted in writing for the son and/or daughter of a manager or coach, such candidate must be drafted in or before the following round:

Draft Round	Majors/Minors	Juniors	Seniors
5	9-10	12	12
4	11	13	13
3	12	14	14

With respect to multiple children, the last draft round will be consistent with age.

In the event that the manager and/or coach has more than one son and/or daughter of the same Little League Age (for example a child born in May has a sibling born in April the following year would both be the same Little League Age, or twins, triplets, etc.) the first option candidate is required to be selected pursuant to Option 5 and the selection of the remaining siblings are governed by Option 1.

Article 6: Tournament Team Selection

6.1 Tournament Eligibility

- A player must participate in an official try-out to be eligible for a Tournament Team.
- Any player who has not participated in a minimum of 60% of regular season games, can not be considered for Tournament Team.

6.2 Team Selection

All tournament teams will be selected in the following manner:

All players of each team in each division will nominate four (4) to six (6) players from their own team for the Tournament Team Selection List. Players will vote by secret ballot and will be overseen by a member of the Board. The President and Player Agent will tabulate the votes from all teams, create a selection list of all players receiving votes from at least 25% of their respective teammates and verify that all nominated players are eligible for Tournament play. Players MAY vote for themselves.

If a majority of the managers from a division believe a deserving player has been omitted from the selection list, they may petition the Board to add the player to the list.

The President shall call a meeting of the regular season division managers for each tournament team, Player Agent and him/herself. Drafts will be held for each team beginning with the oldest age tournament team and following down by age. Because there is more age overlap in tournament teams, this gives players more opportunity to be selected for a team.

The Board will appoint the Tournament manager for each team. If the manager selected is unable to manage the Tournament Team, the Board will appoint an alternate manager (the succession order will continue until a manager is selected). The Tournament Manager will compile a list of preferred coaches; selected from regular season managers and coaches. Tournament managers are required to attend the district Tournament meeting.

If a player is lost from the Tournament Team for some reason, i.e., vacation, injury, discipline or other logical reasons, the Manager shall pick another eligible Tournament nominee from the alternate Tournament list to replace the lost player.

The Tournament Team Manager will take the responsibility of talking to the parents, explaining to them the rules and responsibilities of the Tournament Game.

6.3 Tournament Contract

- All players and parents will sign a letter outlining conditions of participating in Tournaments; either committing if selected or opting out.
- All Tournament players will pay the registration fee of \$150.

The notice shall contain a statement that failure to appear at the hearing shall constitute default and an admission of the conduct alleged in the complaint. The notice shall also state that such default shall allow the YLL Board to discipline the alleged violator as it deems appropriate including suspension or removal from the YLL program. In no event shall any member of the hearing have any direct involvement with the alleged violation.

8.5 Decision of the Board

At the conclusion of the fact-finding hearing, the Board shall adjourn for deliberation. The Board must be represented by a valid quorum as stated in the YLL constitution. If a two-thirds (2/3) majority of the Board finds that adequate grounds exist for disciplinary action, then the President or presiding officer shall issue a written decision setting forth

the rule, regulation, or policy violated, and the sanction ordered as a result of the violation. Sanctions may include, but not limited to, reprimand or censure, dismissal or suspension from any further involvement in YLL activities.

8.6 Emergency Disciplinary Action

Under emergency circumstances, when immediate action must be taken to protect the welfare of any individual involved in any YLL program, the President or any person specifically designated by the President may suspend an individual from further participation in YLL activities.
