

# Fugazi (\$FUGAZI) - White Paper

Version 1.3a | 2025

## 1. Introduction

In the cryptocurrency world, meme coins have evolved from simple jokes to powerful, community-driven digital assets. Fugazi Meme Coin (\$FUGAZI) takes inspiration from legendary crypto speculation, embracing the spirit of fun, hype, and community engagement. FUGAZI is a satirical yet ambitious meme token designed to capture the essence of viral crypto culture while implementing sustainable tokenomics.

## 2. Vision & Mission

### Vision

FUGAZI aims to be the ultimate meme coin for degens, traders, content creators, and crypto enthusiasts who appreciate the humor, excitement, and unpredictability of the crypto market.

### Mission

- To create a vibrant and engaged community around FUGAZI.
- To develop a fun and engaged ecosystem that rewards holders.
- To integrate viral marketing strategies to ensure massive adoption.
- To embrace decentralization while delivering innovative use cases.

## 3. Tokenomics

### Token Supply & Allocation

- Total Supply: 30,000 FUGAZI
- Initial Market Cap: \$2500
- Starting Price per Coin: \$0.08
- Liquidity Pool: 95% (Locked in DEX to ensure smooth trading)
- Community Rewards & Airdrops: 0.5% (150 coins)
- Marketing & Partnerships: 0.5% (150 coins)
- Development Fund: 0.5% (150 coins)

- Team Allocation: 3% (900 coins)
- Presale: 0.5% (150 coins)

#### 4. Utility & Use Cases

While Fugazi is fundamentally a meme coin, it aims to provide real engagement through:

- NFTs & Collectibles – Limited edition Fugazi-themed NFTs with special perks. •

Merchandise Store – Branded Fugazi gear for die-hard supporters.

- Charitable Donations – A portion of proceeds will be allocated to community-voted charities.

#### 5. Roadmap

Phase 1: Launch & Community Building (1/2025)

- Website and social media launch.
- Initial token distribution & airdrops.
- Liquidity pool setup on decentralized exchanges (DEX).
- First marketing campaign with influencers & crypto communities.

Phase 2: Growth & Expansion (3/2025)

- Partnerships with crypto influencers & communities.
- Fugazi NFT collection drop.
- Meme competitions & community events.

Phase 3: Ecosystem Development (3/2025)

- FUGAZI apparel store launch.

Phase 4: Mass Adoption & Utility (Q4 & Beyond)

- Expansion to more blockchains (multi-chain support).
- More real-world partnerships & integrations.

#### 6. How to Buy FUGAZI

1. Set up a wallet – Use MetaMask
2. Get ETN
3. Connect to a DEX – Swap ETN for FUGAZI on ElectroSwap.
4. HODL & Join the Community!
7. Disclaimer
