Helping Hands,  
Open Hearts

March 21<sup>st</sup>. 2026

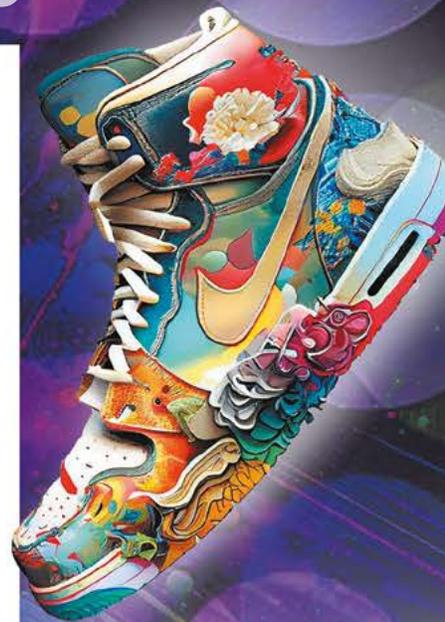

## Dear Friends and Supporters.

As we step into 2026, I want to pause and reflect on the journey that brought us here. Helping Hands, Open Hearts has always been about more than just serving meals, handing out resources, or providing relief—it has been about dignity, hope, and community.

Thanks to your generosity in 2025, we were able to secure a year of storage for our supplies—an essential piece of keeping our programs going strong. The remaining funds went directly toward our operating costs, allowing us to continue serving without interruption. This may sound simple, but I assure you—it was a lifeline.

2025 was one of the roughest years we've ever faced. With the elimination of many DEI programs and grants, we saw not only a sharp decline in funding opportunities, but also a heartbreaking increase in requests for assistance. We also watched as many nonprofit organizations were forced to close their doors under the weight of financial strain. Through it all, Helping Hands, Open Hearts remained steadfast. We kept every single one of our programs running, and we never stopped showing up for the community.

Our mission is needed now more than ever; with the rising costs of living, and the calls for help continue to grow. And so, what's our goal for 2026? To stay operational, secure our storage space for another year, and take a bold step forward: finding a space to serve as both our office and warehouse storage. Having a stable home base will allow us to grow, serve more effectively, and reduce the stress of relying solely on grants.

We cannot do this without you. We invite you not only to support us financially but also to come serve alongside us. When you stand with Helping Hands, Open Hearts, you see firsthand the impact of compassion in action.

Thank you for your time, your consideration, and your belief in our mission. Together, we can continue to be a light in our community—helping hands, with open hearts.
