Lionel Messi: Football Fan Book

Written by Iain Spragg

Celebrated as the greatest soccer player in the history of the game, Lionel Messi's record-breaking career is a story of unprecedented goals and glory. The Inter Miami CF and Argentina superstar's remarkable achievements have made him one of the world's most famous athletes and a player who is always synonymous with entertainment, style and passion.

No one has been named FIFA World Player of the Year more than the eight times Messi has won the coveted award, while his seven Ballon d'Or triumphs are also a record. The scorer of more than 800 goals for club and country, he captained Argentina to victory at the 2022 World Cup and boasts more than 40 major domestic and international winner's medals in his extraordinary personal collection.

He set La Liga and European records for most goals in a season, while establishing himself as Barcelona's all-time top scorer.

He has won eight Ballon d'Or awards.

An Argentine international, Messi is the country's all-time leading goalscorer and holds the national record for appearances.

World Cup Legends

Written by Drew Sleep, Dan Peel & Charles Ginger

Once every four years the greatest players and teams from around the globe come together in a celebration of the beautiful game. Packed with colour, excitement, passion and drama, the World Cup has the world glued to its television screens as the biggest names in football dazzle and wow on the ultimate stage. From Pele and Maradona to Ronaldo, Moore and Mbappe, some of the most iconic names in the history of football are synonymous with the World Cup.

In this book you'll find a host of fascinating features on the aforementioned legends, as well as the Magnificent Magyars of the 1950s and the best side never to win the World Cup – the Cruyff inspired Dutch team of the 1970s. It will also bring you 50 of the greatest players to grace the tournament and take you on a journey back through some of the World Cup's most memorable moments.

This fully illustrated book features many of the greatest players and teams to play in the World Cup over its history.

The World Cup is the world's most viewed televised sporting event, watched by millions worldwide.

Architects of Glory

Written by Geoff Brown & Jon Reeves

This book *The Architects of Glory* celebrates the tactical geniuses, inspirational leaders, and trailblazers who have defined the men's World Cup tournaments from 1930 to 2022.

The book offers a vibrant, inclusive narrative that bridges eras and continents. Spanning more than 90 years of World Cup history, the book profiles all the iconic coaches selected for their titles, innovations, and lasting impact.

From Alberto Suppici (Uruguay) and Vittorio Pozzo, who led Italy to back-to-back men's titles in the 1930s, there are chapters on all the successful coaches including Sir Alf Ramsey (England) Franz Beckenbauer (West Germany) and Luiz Felipe Scolari (Brazil) up to Lionel Scaloni (Argentina).

Released just ahead of the historic 2026 FIFA World Cup – the first to be hosted across three nations and featuring 48 teams.

Featuring in-depth profiles of the legendary coaches who took their nations to the ultimate glory.

For each profile, we will include archival interviews, stat breakdowns (e.g., winning percentage via tables), and rival quotes.

Arsenal Legends

Written by Adrian Besley

The legends of Highbury and The Emirates stand tall in the football pantheon. They include world-class players from Thierry Henry and David Seaman to Dennis Bergkamp, Bukayo Saka and other greats of the club. This book explores the feats and achievements of those who excited and delighted fans and saw their names written into the history of Arsenal forever.

Through the years, Arsenal supporters have been privileged to watch some of the great teams of English football: from the dominant side of the 1930s to the Double-winners of 1971; from the Anfield title-snatchers to the great 'Invincibles'; and on to the young Gunners of the present day.

Every era has delivered new heroes and those fan favourites are the focus of these pages. Legends are more than just players though. The book examines the top managers who brought glory to the club, the greatest teams to wear the famous red and white and the most memorable matches in the club's glorious history.

Arsenal are one of the most successful teams in English football, having won the FA Cup a record 14 times, as well as the First Division/Premier League title 13 times and the League Cup twice.

The Gunners also hold the records for longest unbeaten streak and longest run in the top flight of English football.

Newcastle United Legends

Written by Iain Spragg

The enduring pride of Tyneside, Newcastle United's illustrious history is the story of a love affair between the club and the city that began in 1892 and has only grown stronger over the decades. Four-time champions of England and winners of six FA Cups, the Magpies are synonymous with entertainment, drama and passion.

Saluting the club's most iconic players, teams and managers, from Jackie Milburn to Alan Shearer, Kevin Keegan to Paul Gascoigne, Newcastle United Legends also celebrates the Magpies' most memorable matches over the last 133 years, including their emotional Wembley triumph in the League Cup final in 2025.

Since their foundation in 1892, Newcastle have won four League titles, six FA Cups and one League Cup, as well as the 1968–69 Inter-Cities Fairs Cup, which makes them one of the most successful English clubs of all time.

With a stadium capacity of more than 52,000, St James' Park is the temple where the Toon Army gathers to cheer their team on through highs and lows.

75 Years of Formula One

Written by Iain Spragg

The pinnacle of motorsport, Formula One was born in 1950 at the British Grand Prix and ever since the inaugural Silverstone race has repeatedly delivered drama, unforgettable drives and controversy both on and off the track. Celebrating three quarters of a century of high-octane thrills and spills in 2025, it boasts a global fan base of millions and remains a byword for entertainment and petrol-infused exhilaration.

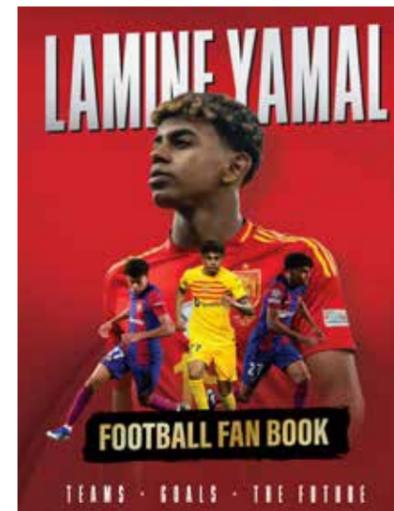

75 Years of Formula One charts the fascinating history of Grand Prix racing over its first eight decades of action, telling the unique story of how F1 grew irresistibly from a modest, predominantly European event with only seven races into a worldwide sporting phenomenon. The book also profiles the F1 World Championship's legendary drivers from iconic Argentinian Juan Manuel Fangio to the inimitable Ayrton Senna, Jackie Stewart to the unstoppable Michael Schumacher.

Formula One holds pole position in the world of motorsport, its status built on iconic manufacturers like Ferrari and elite circuits around the world – from Monaco to Tokyo.

Formula One is broadcast in almost every country in the world and attracts one of the largest global television audiences, estimated to be 750 million people per race in 2024.

Lamine Yamal: Football Fan Book

Written by Iain Spragg

Younger than Lionel Messi when he broke into the FC Barcelona first team at the age of just 15 and the youngest ever player to lift a major international trophy, eclipsing the 66-year-old milestone set by the late, great Pelé, Lamine Yamal is a football prodigy who is rewriting the beautiful game's record books in a hurry.

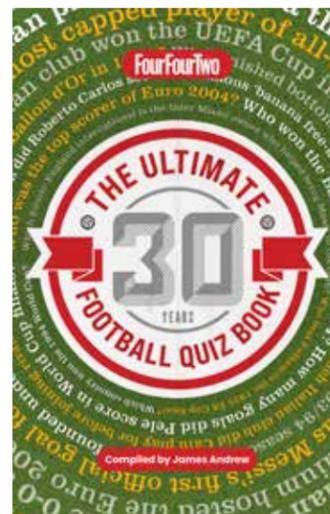

The spectacular rise of teenage star began in 2023 when he exploded onto the scene at the Nou Camp, still two months short of his 16th birthday, and by the end of the year Yamal had become Spain's youngest ever player after his goalscoring debut for his country. It was only the beginning of his unbelievable, record-breaking exploits. Only 24 hours after he had turned 17, Yamal was in the Spanish side that beat England in the final of Euro 2024, earning the teenager the first winner's medal of his remarkable career and a place in footballing history.

Lamal is the youngest player to appear for Barcelona's first team since the 15-year-old Armando Sagi in 1922, over a century before.

At the end of UEFA Euro 2024, Yamal was named UEFA EURO 2024 Young Player of the Tournament.

Baseball Legends

Written by: Scott Reeves

Few sports have the rich history of baseball. From spring training to the autumnal World Series, baseball's storied franchises have produced many legendary moments over 150 years of the major leagues. But it's the riveting rivalries between the men on the diamond who are sport's star attraction.

Come with us to explore the lives and careers of baseball's biggest hitters and flame-throwing pitchers. All the icons of the sport are here. Pioneers of the game like Shoeless Joe Jackson and Babe Ruth made baseball into a national phenomenon. Big names of the golden era like Jackie Robinson and Joe DiMaggio carried their teams to success. Don't forget the modern-day superstars like Mike Trout and Albert Pujols who've maintained baseball's popularity into the 21st century.

Known as America's national pastime baseball is one of the top 3 most popular sports in the USA and also in Japan.

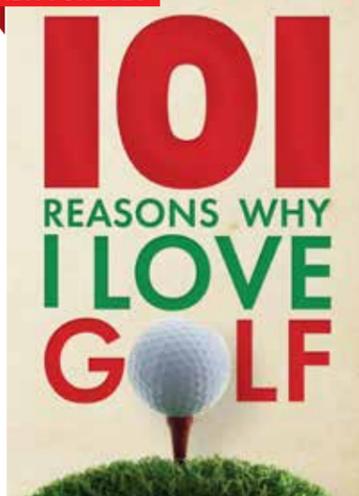

In US polls it was found that 50% of Americans are fans of baseball.

The Major League Baseball revenues exceeded \$11bn per year in 2023.

101 Reasons Why I Love Golf

Written by Iain Spragg

Golf has a way of sneaking into your life. One weekend you're swinging casually at a local course; the next, you've got a handicap, opinions on shaft flex, and a Sunday routine your family has quietly learned to work around. Originating in the windswept fields of Scotland centuries ago, golf has grown into a global pastime played by tens of millions – from Turnberry to Tokyo.

It can humble you on a Tuesday and have you floating home on a Wednesday. One perfect shot, and you're already booked in for next weekend before you've left the 18th green. It's in those moments that golfers understand why they keep coming back – the quiet focus of a long putt, the camaraderie of a good round with friends, and the thrill of a perfectly struck shot. The game has given us storied legends, from Arnold Palmer and Jack Nicklaus to Seve Ballesteros, Tiger Woods, and the imperious Rory McIlroy, and every generation discovers new reasons to fall in love with the game.

Golf is one of the most played sports on the planet, with over 66 million participants worldwide and more than 3,000 courses in the UK alone.

In the United States, more than 24 million people play golf regularly.

101 Reasons Why I Love Darts

Written by Iain Spragg

The magic of the oche is legendary and with a global audience of millions darts is a sporting juggernaut which always delivers entertainment and drama. Boasting more characters than an episode of Eastenders, the game exploded in the 1980s thanks to Eric Bristow and friends and since the golden days of the Crafty Cockney, darts has been blessed with larger-than-life heroes like Phil Taylor, Michael van Gerwen and lately teenage tyro Luke "The Nuke" Littler.

The first ever World Darts Championship in 1978 was just the start of the sport's incredible story and despite its proud but humble roots in pubs and clubs up and down the country, darts has now spread its wings from Sunderland, Solihull and Southend as far afield as Singapore, South Korea and Saudi Arabia. There are countless reasons why everyone on the planet loves the darts and here are 101 of the best – and funniest – of them.

The sport enjoys remarkable popularity; with million dollar sponsorships for its most prestigious events which are broadcast around the world.

The major Darts tournaments are broadcast live on Sky Sports and ITV television in the UK.

101 Reasons Why I Love Fishing

Written by Iain Spragg

Fishing is one of the world's most popular pastimes, and it's not hard to see why. Millions of people worldwide have caught the bug – and once you're hooked, there's no going back. From canal banks and reservoir car parks to remote highland lochs and tropical blue water, fishing has a way of getting under your skin like nothing else.

It's a sport with more opinions than a tackle shop on a Saturday morning, a rich cast of characters, and enough tall tales to fill a library. Whether you're a fly purist who wouldn't be seen dead near a tin of maggots, or a carp angler who's practically moved into a bivy on the bank, one thing unites every angler on the planet – the belief that today might just be the day.

In the UK, hundreds of thousands of rod licences are issued annually. In the United States, over 50 million people participate in fishing each year.

From fly fishing and coarse fishing to carp, sea, and predator angling, this book celebrates the full spectrum of the sport.

Whether you fish once a year or every weekend, the 101 reasons capture the humour, frustration, obsession, and quiet satisfaction that unite anglers everywhere.

The History Of The Cheltenham Festival

Written by Adrian Besley

The Cheltenham Festival is a sporting event like no other. Its history features names that resonate across the ages, such as equine celebrities Kauto Star, Best Mate, Denman, Golden Miller and Arkle, jockeys from Pat Taaffe to Ruby Walsh and Rachael Blackmore, and masterful trainers of the likes of Willie Mullins and Nicky Henderson.

The biggest occasion in the jump season calendar, the festival boasts some of the most high profile races in the sport, including the Champion Hurdle, the Queen Mother Champion Chase, The Stayers' Hurdle as well as the Cheltenham Gold Cup, and to win to the sound of the famous "Cheltenham Roar" is the dream of every chaser or hurdler, from amateur to novice to seasoned jumper. Marking the centenary of the Gold Cup, this book traces the Cheltenham Festival's evolution from humble beginnings into an incredible spectacle where the aristocracy mingle with day trippers. A glorious celebration of the world's greatest jump-racing event, showcasing 100 years of the incomparable Cheltenham Gold Cup.

The Cheltenham Festival recently celebrated its 100th anniversary of the Gold Cup in 2024, with a sell out crowd of approximately 69,000 attendants on Friday 15th March.

With around 250,000 global spectators attending each year, Cheltenham ranks among the world's most popular horse racing events

Harry Styles: As It Is

Written by Carolyn McHugh

Harry Styles is an English singer, songwriter, and actor. His musical career began in 2010 as a contestant on the British music competition series *The X Factor*. Following his elimination, he was brought back to join the boyband One Direction, which went on to become one of the best-selling boybands of all time.

Styles' self-titled debut solo album debuted at number one in the UK and the US, and became one of the top-ten best-selling albums of the year. His second album, *Fine Line* (2019), topped the US Billboard 200 with the biggest first-week sales by an English male artist in history. Aside from music, he is also known for his flamboyant fashion, and is the first man to appear solo on the cover of *Vogue* magazine.

Harry Styles is one of the highest profile celebrities in the world, regularly appearing on the front pages of leading magazines and newspapers.

He has sold over 100 million albums throughout his solo career and as a member of One Direction.

He has a burgeoning film career as well as an extremely successful music career.

Sabrina Carpenter Superstar

Written by Emilie Murray

Sabrina Carpenter didn't knock on pop's door - she walked right in, served espresso, and never left.

Dive into this stunning, beautifully illustrated book that traces Sabrina's remarkable evolution from Disney Channel star on *Girl Meets World* to a chart-dominating pop sensation. A multi-talented performer, she has masterfully balanced acting, music, and live entertainment throughout her career.

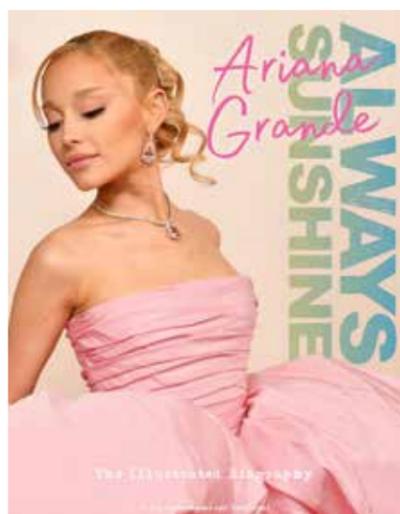

At only 25, she's claimed her spot atop the Billboard Hot 100 and become a cultural phenomenon - her show-stopping Coachella 2024 set became one of the festival's most talked-about moments. Her ongoing Short n' Sweet Tour has packed arenas worldwide and Coachella is ready to welcome her as headliner in 2026!

Short n' Sweet debuted at #1 on the Billboard 200 with 362,000 units sold in its first week, and her latest Man's Best Friend album received six Grammy nominations.

In 2024, Sabrina made history as the first female artist to simultaneously hold the UK's #1 album while occupying all three top positions on the Official Singles Chart.

Elton John: The Archive

Written by Carolyn McHugh

This is the story of the boy from Pinner who became one of the most legendary artists and musicians of the 20th century, and who returned to prominence in the 21st with music and performances informed by hard-won sobriety, wisdom, and an undiminished love for his craft. Through his life and work, he changed lives and those of generations to come.

Elton John's music is loved by many and known by all as the soundtrack to five decades of joy, heartbreak, and celebration that began with the release of "Your Song" in 1970. Through the flamboyant costumes and outrageous glasses that followed, the work in film, musical theatre, charity, and tireless activism, Elton's voice rang clearly across the decades summoning everyone to a party where authenticity would be celebrated and love would always triumph.

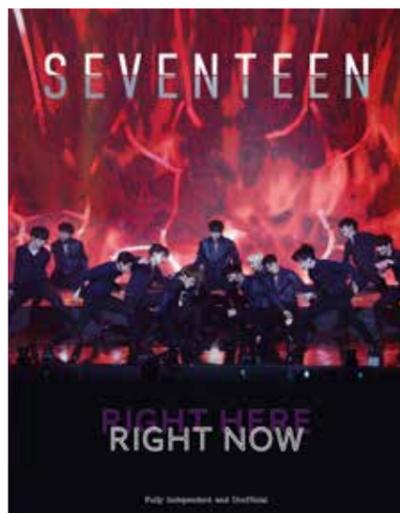

This beautiful book showcases his legacy through stunning photography and intimate insights.

John has sold over 300 million records worldwide, earned five Grammy Awards, an Academy Award and a Tony.

Elton John and Brandi Carlile's collaborative 2025 album *Who Believes in Angels?* entered at No. 1, becoming John's 10th UK chart-topping album.

Billie Eilish: Your Power – Revised Edition

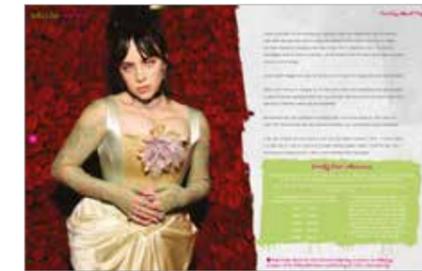

Written by Carolyn McHugh

Billie Eilish Pirate Baird O'Connell is an American singer and songwriter. She first gained public attention in 2015 with her debut single "Ocean Eyes". The song was written and produced by her brother, Finneas O'Connell, with whom she frequently collaborates on music and in live shows. Eilish's first studio album, When We All Fall Asleep, Where Do We Go? reached number one in the UK. It was one of the best-selling albums of 2019, buoyed by the success of its fifth single and Eilish's first number-one hit on the Billboard Hot 100, "Bad Guy".

Her second album, Happier Than Ever (2021), and third, Hit Me Hard and Soft (2024), received widespread acclaim. Songs "Birds of a Feather" and "Wildflower" became 2025 chart-toppers. She has gone on to win nine Grammy Awards, one Guinness World Record, six MTV Video Music Awards, and four Brit Awards. This biography takes you on her remarkable journey; an uplifting story of a great modern artist illustrated with high-quality photographs.

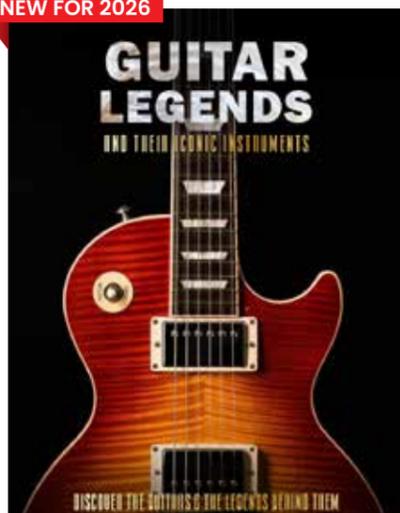

Billie Eilish is a once-in-a-generation superstar with huge visual flair and darkly poignant lyrics.

Billie Eilish is one of the most followed Artists on Tik Tok with over 510 million likes.

Guitar Legends and Their Iconic Instruments

Written by Pete Chrisp

A musical revolution that transformed sound itself, the guitar emerged from ancient origins to become the most beloved instrument in history.

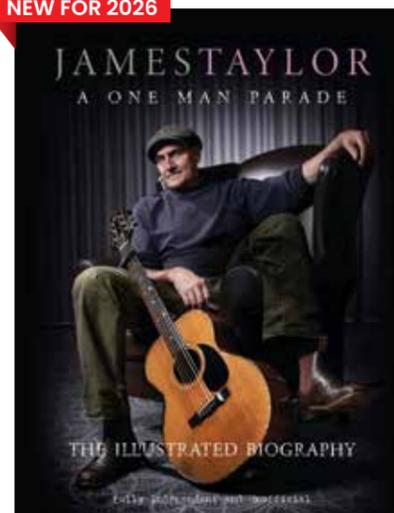

Its versatile tone and timeless form have created legends across every genre and generation – from blues pioneers such as Robert Johnson, Muddy Waters and B.B. King through to jazz virtuoso Django Reinhardt and the genius of Les Paul in helping create Gibson's first solid-body electric guitar; key figures such as Sister Rosetta Tharp and Chuck Berry in blending blues, country and R&B to help give us rock 'n' roll; the distinctive four-, six- and 12-string Rickenbackers that defined the Beatles' look and sound; and the timeless Fender Telecasters, Stratocasters and Precision basses that played such vital roles in the hands of Hank Marvin, Jimi Hendrix, Eric Clapton, James Jameson, Jeff Beck and Nile Rodgers in expanding the boundaries of Sixties/Seventies rock and soul.

Elegantly designed and richly detailed – the ultimate statement piece for fans, players, and aesthetes alike.

James Taylor: A One Man Parade

Written by Carolyn McHugh

Over a career spanning more than five decades, Taylor has become one of the best-selling and most beloved musicians of all time. *James Taylor: A One Man Parade* take you through his life and career, a tapestry of personal struggles, artistic triumphs, and unwavering resilience.

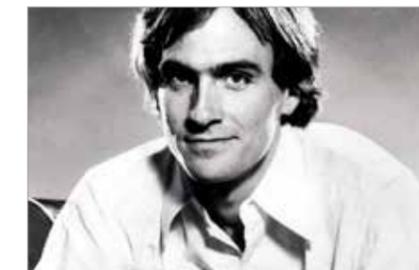

Taylor's big break came in 1970 with the release of his second album, *Sweet Baby James*. "Fire and Rain," an autobiographical account of his struggles with addiction and the loss of a close friend, became a massive hit and remains one of his signature songs. This was followed with the huge success of songs like *You've Got a Friend* and albums *One Man Dog*, *Mud Slide Slim and the Blue Horizon*, *Walking Man* and many more.

James Taylor's life and career are a testament to his power of resilience, artistry, and authenticity. From his early struggles with addiction and mental health to his rise as a global music icon.

Pink Floyd 60 Years

Written by Alison James

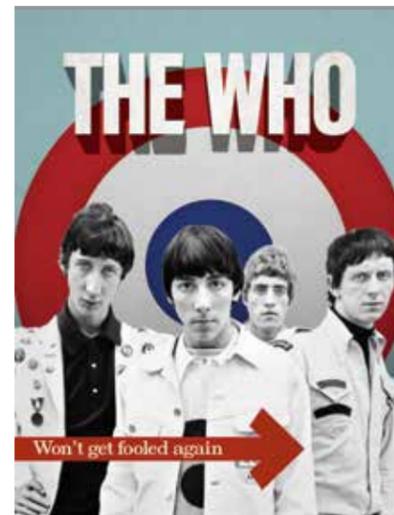

To mark 60 incredible years of Pink Floyd, this stunning illustrated book celebrates the extraordinary journey of one of the most ground-breaking and influential British groups in history.

Crafted to honour the six decades since the band first formed, this edition features set lists from all of Pink Floyd's major tours, allowing the reader to trace their remarkable journey from 1965 – originally consisting of students Syd Barrett, Nick Mason, Roger Waters, and Richard Wright – through Dave Gilmour completing the classic five-piece line-up in 1967 and Syd Barrett's departure in April 1968. Pink Floyd's rise as one of the most commercially successful and musically influential groups in the history of rock music is brought vividly to life across these pages, with rare images and memorabilia including tickets and programmes charting their iconic tours. Each chapter tells the story of one of Pink Floyd's major tours, making this special anniversary volume the ultimate tribute to a band whose music continues to resonate with generations of fans around the world, and whose legacy shows no signs of fading.

Pink Floyd have sold more than 250 million records worldwide, making them one of the best-selling music artists of all time.

They were inducted into the US Rock and Roll Hall of Fame in 1996 and the UK Music Hall of Fame in 2005.

The Who

Written by Michael A. O'Neill

The Who defined a generation and rocked the world. "My Generation," "Pinball Wizard," and "Baba O'Riley" are some of the most well known tracks in rock history. The rock opera *Tommy*, the genre-defining *Live at Leeds*, and the classic *Quadrophenia* are just some of The Who's albums.

The band's original lineup had an amazing 15-year span, as they toured their way around the globe, performing live and recording until the death of drummer Keith Moon in 1978. Then John Entwistle died in 2002, but the remaining founding members Roger Daltrey and Pete Townshend continue to tour. *Won't get Fooled Again* takes you on the journey with the band as they conquered the world: from small London clubs to Madison Square Garden, from seven-inch vinyl releases to multimillion-selling albums, all the way to recognition as global rock gods.

The Who are one of the most influential rock bands of all time.

The Who have won countless awards, and were inducted into the

Rock and Roll Hall of Fame as early as 1990.

The Beatles: The History behind each Album

Written by Pete Chrisp

Not all Beatles fans know everything about the Beatles. Not all grew up with them. Not every fan has all of their singles gathering dust at the back of the loft. But now, with the huge resurgence in collecting and playing vinyl, the Beatles' records are more sought after than ever. Thankfully, not everyone wants Beatles records for their monetary value or as an investment... but to play them on a record player and listen to some of the greatest music of the last 60 years.

In this independent, in-depth, illustrated publication, music writer, journalist, Beatles fan and obsessive record collector Pete Chrisp points like-minded enthusiasts – old and new – in the right direction when it comes to choosing the very best Beatles recordings among the hundreds of (sometimes confusingly complicated) options available.

More than 30 Beatles UK and US singles listed and reviewed

The perfect tie-in with global recognition of 50 years since the Beatles split and increased popularity in collecting Beatles vinyl

The 100 Greatest Songs of All Times

Written by Carolyn McHugh

More than a collection, this book is a celebration of musical genius, cultural milestones, and the timeless artistry that has shaped the soundtrack of our lives. From pop to rock, folk, funk and soul, ballads to bangers, these songs represent the best of music since 1950s early rock and roll.

Each entry tells the story behind the song, including the creative process, cultural impact, and legacy. You'll learn about the heartbreak that inspired poignant ballads, the social movements behind anthems of change, and the moments that led to chart-topping hits. We honour the artists who pushed boundaries, the producers who crafted masterpieces, the songwriters whose lyrics became iconic, and the performers whose voices made history.

A comprehensive collation of the the great songs at your finger tips.

In a world of "playlists" the perfect starting point.

Classic songs described in detail to reveal their time and context.

A perfect gift for the music lover to discover or re-discover some of the best songs ever recorded.

David Bowie Legacy

Michael O'Neill and Carolyn McHugh

This is the story of the boy from Brixton who became one of the most legendary artists and musicians of the 20th century, and who returned to prominence in the 21st with music and visions informed by a sense of his own mortality and who through his life and work, changed lives and those of generations to come.

David Bowie's music is loved by many and known by all as the soundtrack to the world of changes that was heralded by the creation of Ziggy Stardust. Through the hits and personas that followed, the work in art, drama, film and fashion, Bowie's voice rang clearly across the decades summoning everyone to a party where strangeness would be celebrated and the 'now would always be new.

Yet David Bowie remained forever the outsider, observing, creating, collaborating, inspiring and moving forward. This book follows a life that as much as any other was a personal journey but one in which so many joined and made part of their own.

David Bowie has sold an estimated 150 million albums.

Bowie is undoubtedly one of the most influential artists in the history of popular music.

Fully updated to include Bowie's last album, Blackstar, and coverage of his death in early 2016

Paul Simon: Hearts & Bones

Written by Pete Chrisp

In 1957, two teenage high school friends obsessed with the music of Elvis Presley and the Everly Brothers, formed a doo-wop music duo and released their first record entitled 'Hey, Schoolgirl', performing under the name of Tom & Jerry.

Who could anticipate that, within five years, these two, bright, well-educated, young Jewish boys from Queens, New York City, would go on to become the most successful folk-rock duo in music history? Simon & Garfunkel. All largely due to a song entitled 'The Sound of Silence'.

In this beautifully illustrated, independent publication, music writer and journalist Pete Chrisp explores how - despite his on-off relationship with Art Garfunkel, his often tempestuous private life and the political controversies surrounding his African masterpiece, Graceland - Paul Simon, now aged 82, has, after all these years, maintained world recognition as one of the greatest singer-songwriters of all time.

Simon & Garfunkel's final album, Bridge Over Troubled Water (1970), is among the bestselling of all time.

His 1975 album 'Still Crazy after all these Years' reached No 1 on the Billboard Hot 100.

Timothée Chalamet: Icon of Our Times

Written by Carolyn McHugh

This is Timothée Chalamet, as the cinematic sensation and global heart-throb.

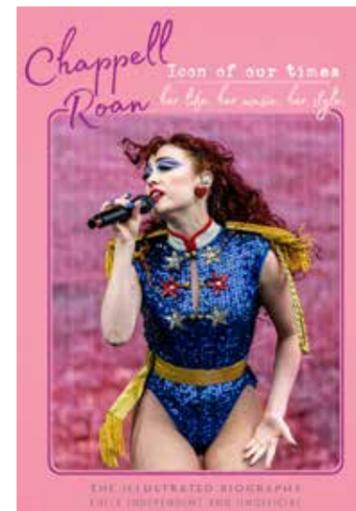

Lose yourself in this must-have, beautifully illustrated book chronicling Timothée’s extraordinary journey from early breakout roles, to his evergrowing record of critically acclaimed performances. A versatile talent who has seamlessly transitioned from indie cinema to Hollywood blockbusters, “Timmy” has taken the film industry by storm. His personable nature is redefining what it means to be both a gentleman and a star in the Millennial and Gen Z eras, all while capturing the hearts of fans along the way. At just 27, he has amassed an outstanding number of accolades including an Academy Award nomination, two BAFTA nominations and a Golden Globe award.

Timothée Chalamet made history in 2024 when he was the lead of the two films, namely Dune (2024) and Willy Wonka (2023), that were the two highest domestic grossing films over an eight month period.

The highly-anticipated Bob Dylan biopic starring Timothée is set to be released in cinemas December 2024 (US) and January 2025 (UK).

The Book of Aircraft

Written by Iain Spragg

The twentieth century was still in its infancy when the Wright Brothers famously changed the course of human history in late 1903 when they achieved the first-ever powered flight. Their "Wright Flyer" was airborne for just 12 seconds but it was long enough to change everything.

This comprehensive volume celebrates the incredible and rapid evolution of the magnificent flying machines that have eagerly followed in the slipstream of the "Flyer" over the intervening century and more.

From the WWI era of the inimitable Sopwith Camel and feared Fokker D.VII to their WWII successors, the formidable Messerschmitt Bf 109 and iconic Spitfire, and into a new commercial age dominated by Lockheed, Boeing and Airbus, the incredible advance in aircraft technology since the 1900s has been inexorable.

The Legendary Porsche 911

Written by Iain Spragg

An undisputed and unmistakable automotive icon now celebrating its seventh glorious decade, the first ever Porsche 911 rolled off the production line in Stuttgart in 1963 and, more than a million cars later, has unflinchingly kept faith in its classic design.

The alleged mechanical heresy of its rear-engine layout, allied with its achingly endless curves, has ensured the 911's longevity and created a global superstar on both the road and the track that is a byword for style and performance. Over the years the car has evolved but at its heart still proudly boasts the same intoxicating combination of striking looks and a unique driving experience. The Legendary Porsche 911 charts the fascinating history of the model series and features detailed coverage of the all the most prominent iterations of the vehicle from its debut appearance at the Frankfurt Motor Show to today's 992 GTS RS.

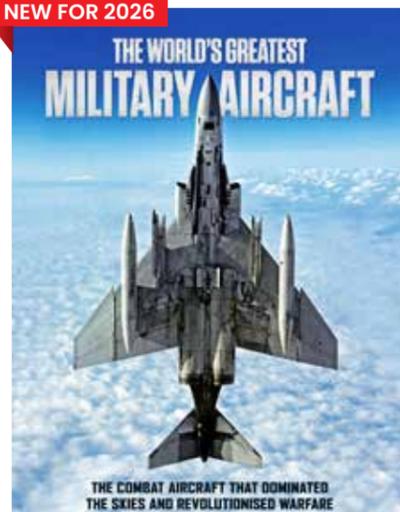

The Porsche 911 placed among the Top 5 at the Global Automotive Elections Foundation's Car of the Century awards gala in 1999.

In 2015, Car and Driver named the Porsche 911 "the best premium sports car on the market".

The World's Greatest Military Aircraft

When the hum of engines could be heard over the skies of London on 7 September 1940, it was the start of an onslaught that would push Britain to the brink. The Blitz had begun, and as aircraft went up against aircraft, there was a fight for the nation. It was a time of iconic combat planes – the legendary Spitfire was born, facing off against the Third Reich's famous Messerschmitt BF 109G. But it wasn't a new spectacle. The first fighter aircraft the world had ever seen were built in French fields about 25 years before. Since then, countries have raced to improve flight technology to gain control of the skies.

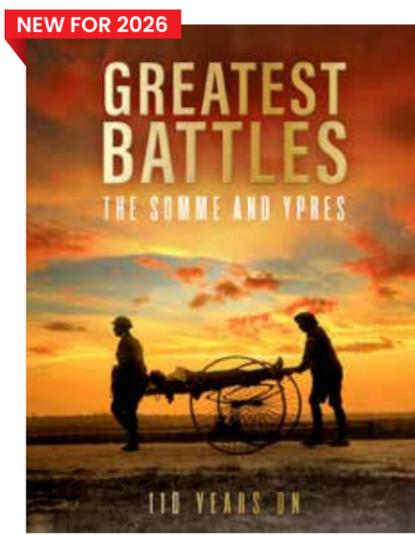

In the World's Greatest Military Aircraft, climb into the cockpit of the world's earliest combat aircraft, from the French Voisin III to the German Albatross D.VA, as well as some of Britain's early forays into flight; go nose to nose with iconic fighter planes and bombers from the Second World War, including the Hawker Hurricane, P-51 Mustang, Mitsubishi A6M 'Zero', Avro Lancaster and B-17 Flying Fortress; and take to the skies with post-world war aircraft like the United States' F-14D Tomcat, Blackburn Buccaneer S2 and F-15 Eagle, the crowning jewel of the US Air Force.

Bringing to life a plethora of the most formidable fighter planes and strategic bombers ever to take to the skies, from World War I to the Cold War and beyond.

In an era marked by geopolitical fragmentation and global tensions, the air force capabilities of the world powers have become a matter of abiding public interest.

Greatest Battles: The Somme and Ypres – 110 Years On

The battles of the Somme and Ypres stand as two of the most devastating and consequential confrontations in military history.

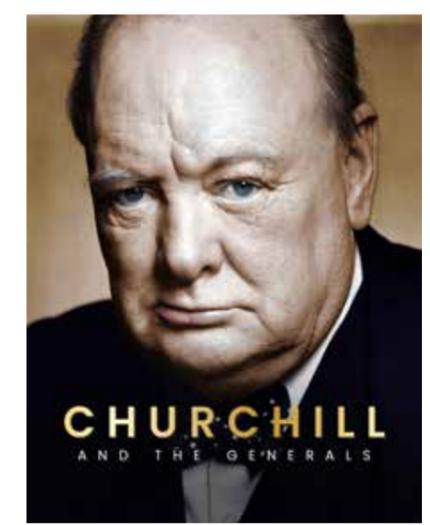

Between 1914 and 1918, the fields of Flanders and the chalky plains of the Somme Valley became synonymous with the brutal reality of industrialised warfare, where millions of men fought and died in a conflict that would reshape the modern world.

The Battle of the Somme, launched on July 1, 1916, remains the bloodiest single day in British military history, with nearly 60,000 casualties suffered in just the first 24 hours. Over the following months, British, French, and Commonwealth forces would battle against determined German defenders in a grinding war of attrition that cost over one million casualties on all sides. The deafening thunder of artillery barrages, the rattle of machine guns from reinforced positions, and the desperate charges across no man's land defined an entire generation's experience of war.

The 1st July 2026 marks the 110th Anniversary of the Battle of the Somme. This comprehensive book brings together the complete story of two legendary confrontations that defined the First World War.

Churchill and the Generals

Written by Mike Lepine

Sir Winston Churchill bestrode the 20th Century. He held many political and cabinet positions including Home Secretary from 1910 and then Chancellor of the Exchequer and Secretary of State for War. However it was on 10th May 1940 when Churchill became Prime Minister and took control of Britain's war effort that he finally sealed his place in history.

This is the incredible story of the darkest days of World War II when Churchill and his Generals – Montgomery, Alexander, Wavell and Brooke were facing catastrophe on every front. They suffered defeat at Dunkirk and survived the Battle of Britain. With enormous amounts of courage and skill they fought off the Luftwaffe and managed to hold on until the Allied invasion of Europe. He appointed key men to command the forces upon which the free world's survival depended. Men like Montgomery, Slim, Auchinleck, Alan Brooke and Alexander were given the highest command to wage war against Hitler.

60 Years since the Anniversary of Sir Winston Churchill's death on the 24th January 1965.

2025 is the 85th Anniversary of the Battle of Britain.

The Wit and Wisdom of Dad's Army

Written by Iain Spragg

The Wit and Wisdom of Dad's Army is packed with amusing quotes from the TV show, including many classic one-liners from Captain Mainwaring and the rest of the incredible cast, as well as fun facts and stats about the actors and characters. Not to mention swagger sticks, sausages and knitted scarves.

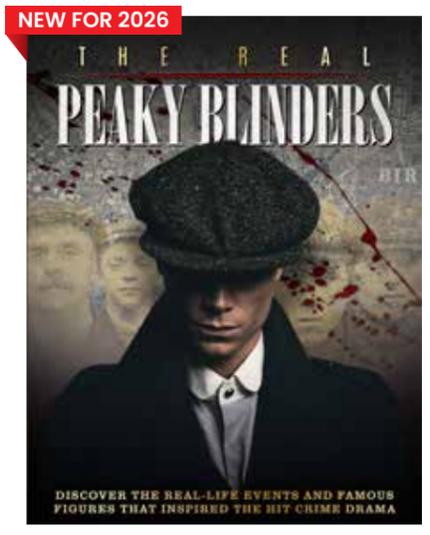

First broadcast by the BBC in the summer of 1968, the show chronicles the trials and tribulations of an elderly band of volunteers in the Home Guard in the fictional seaside resort of Walmington-on-Sea. Their mission to defend the town against a potential German invasion is an unflinchingly accident-prone one over nine series, which regularly drew audiences of over 10 million.

Such is the enduring popularity of Dad's Army, it has spawned stage shows, radio adaptations and a 2016 feature film.

Currently you are able to watch Dad's Army streaming on Sky Go, ITVX, Now TV and BritBox Apple TV, or buy it as download on Amazon Video, Apple TV and Microsoft Store.

The Complete Beginners Guide to China

Written by Charles Ginger

China is a nation like no other. Once a constellation of fractured states, today it reigns supreme as the greatest power in the Eastern Hemisphere. From the Great Wall and the Forbidden City to the Belt and Road Initiative and the unrelenting rollout of the electric vehicle industry, the scale and grandeur of China's enterprises have always staggered the Western world.

From its ancient origins to the birth of the People's Republic, the rise of Xi Jinping and the race to dominate the world of tomorrow, China is an endlessly intriguing place, one whose past continues to shape its future. Take a journey into the history of this awe-inspiring and multifaceted nation and discover some of the people, events and beliefs that have shaped the Land of the Dragon.

Since the 2010s, China has become an emerging superpower as the second largest economy in the world and the largest one on a purchasing power parity basis.

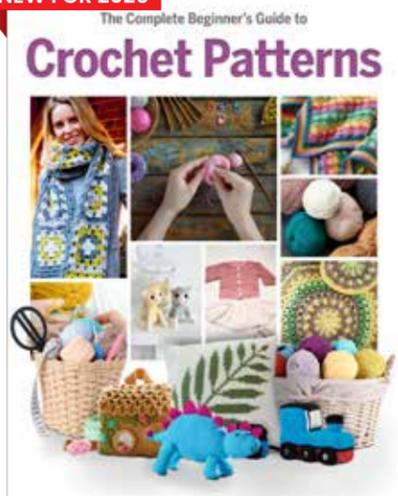

Over 4,000 colleges across the globe have added Chinese language courses to their curriculums and it is estimated that 25 million people are currently learning Chinese as a second language and that over 200 million people outside China have studied Chinese.

Beijing is the first city to have hosted both the Olympic Summer (2008) and Winter Games (2022). Several hundred million TV viewers worldwide watched each of these spectacular events take place.

 ISBN: 978-1-917259-58-3 144 pages
 September 2026 Text: 20,000 words
 210 x 270 mm 100 colour and mono photographs

This stunning volume celebrates the timeless vision of Ralph Lauren, the designer who brought the American Dream to life through fashion. Filled with exquisite photography of the brand's most iconic collections, this book chronicles the remarkable journey of a designer who transformed a simple necktie into a global lifestyle empire.

Ralph Lauren founded his fashion empire in 1967 with a line of wide, handmade neckties in New York City. Operating under the name Polo, Lauren introduced a distinctly American aesthetic that blended preppy sportswear with refined old-world sophistication. His vision expanded rapidly with the launch of a full menswear collection in 1968, followed by the groundbreaking Polo shirt in 1972 - a piece that would become one of fashion's most enduring icons. The Ralph Lauren aesthetic celebrates timeless style over fleeting trends, drawing inspiration from English aristocracy, Ivy League tradition, safari adventures, and Hollywood glamour.

Today, Ralph Lauren stands as one of fashion's most successful global brands, representing the pinnacle of American style worldwide. This beautifully presented book traces the brand's evolution from a small tie collection to an international symbol of classic luxury and refined living.

The Fashion Icons: Tom Ford

Written by Alison James

This book celebrates Tom Ford - the designer who has shaped modern luxury. Through striking imagery and thoughtful commentary, it traces his journey from transforming Gucci into a global powerhouse to establishing his own namesake label.

Rising to prominence in the 1990s, Ford revitalised Gucci with a daring fusion of sharp tailoring and sensuality, later bringing the same bold vision to Yves Saint Laurent. His aesthetic - clean lines, rich textures, and a cinematic sense of drama - was infused with confidence and allure. His eponymous brand, launched in 2005, began with impeccably tailored menswear before expanding into womenswear, fragrance, and beauty. From velvet evening gowns and the razor-sharp O'Connor suit to the iconic Natalia clutch and Seldedge denim, every creation reflects Ford's mastery of glamour and precision.

Tom Ford established a new standard for contemporary glamour.

The brand has dressed some of the world's most influential style icons, including Beyoncé, Angelina Jolie, Daniel Craig, and Lady Gaga.

The Fashion Icons: Tiffany & Co.

Written by Alison James

This beautifully illustrated book shares the timeless vision of Tiffany & Co., the legendary jeweller who transformed a small stationery and fancy goods emporium into a global luxury empire.

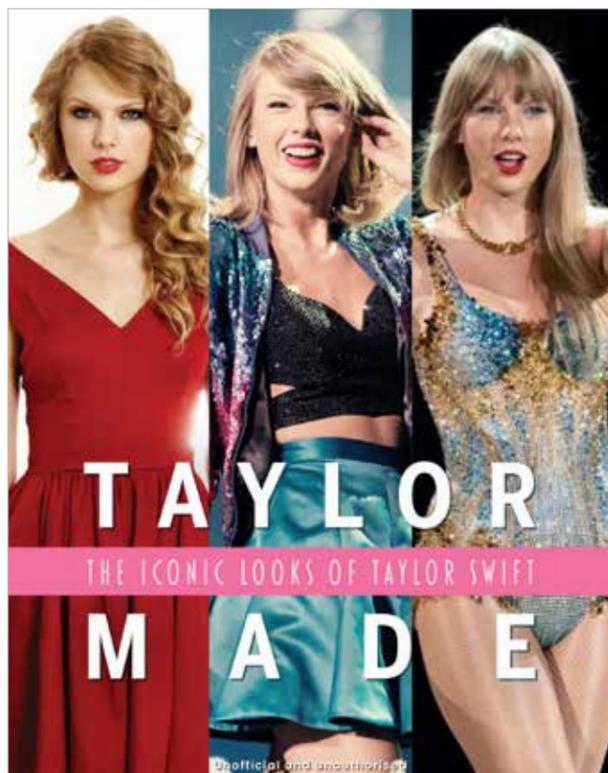

Charles Lewis Tiffany founded his company in 1837 in New York City, initially selling stationery and fancy goods with partner John B. Young. Operating under the name Tiffany, Young and Ellis, the store gradually shifted its focus to fine jewellery and luxury goods, establishing a distinctly American standard of excellence that rivalled the great European jewellers. His vision crystallized when Tiffany acquired extraordinary jewels from European aristocracy and introduced the Tiffany Setting in 1886 - a revolutionary six-prong diamond engagement ring.

Today, Tiffany & Co. stands as one of the world's most prestigious brands, representing the pinnacle of American jewellery worldwide. This beautifully presented book traces the brand's evolution from a small fancy goods shop to an international symbol of love and refined living.

Stunning photography showcases the craftsmanship and artistry that have made Tiffany synonymous with luxury and romance.

Explore the genius behind Tiffany's most celebrated collections, collaborating with Jean Schlumberger, Elsa Peretti, and Paloma Picasso.

Taylor Made: The Iconic Looks Of Taylor Swift

Written by Alison James

RRP **£22.50** Hardback Book
 ISBN: 978-1-915343-91-8 144 pages
 March 2025 Text: 20,000 words

This is Taylor Swift, as a bona-fide fashion goddess.

Singer-songwriter supreme, Taylor Swift is a global phenomenon. Yet in addition to being the most streamed female artist on Spotify, she has become a hugely influential and empowering fashion icon for millions of fans across the world. Dive into 'Taylor Swift: Fashion Manifesto' and discover, through an array of stunning images, the depths of her style evolution and fashion journey. From the country-girl gingham and cowboy boot combos she favoured during the early days of her superstellar career, to the designer gowns and custom-made sparkling Versace bodysuit she sported on her Eras Tour. Whether at work, at play, at home or on the Red Carpet, La Swift's fashion instinct, flare and sartorial sass is as superb as her music.

As a testament to how far her fashion influence has stretched, this beautifully illustrated hardback edition will not only break down her eras of fashion, but explore her ultimate best red carpet looks, her world of accessories, the burst of brands involved, and how the Swifties never fail to honour these top trends! What better way to tell her lively fashion story than through this visual journey spanning the course of her stardom.

ABOUT THE AUTHOR:

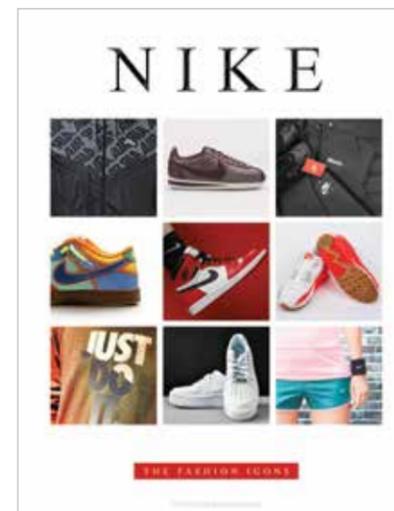

Alison James is a History Graduate and Showbiz Journalist who writes about royals and celebrities for the Daily Mail, the Daily Express and Yours magazine in the UK and has also written best selling biographies of Iron Maiden and other major rock bands.

Taylor Swift has gained huge influence over fashion trends and the projections of brands in the fashion industry as a whole.

Her outfits are showcased in some of the world's most renowned museums including the Victoria and Albert Museum, London and the Museum of Arts and Design, New York.

The Eras Tour playing throughout 2023/2024 is the biggest artist tour ever with over 140 dates across 5 continents. The Tour has received rave reviews wherever Taylor has played.

The Wall Street Journal reported that the Eras Tour is on track to become the biggest in concert history, with the potential to gross over \$1 billion.

The Fashion Icons: Nike

Written by Emilie Murray

Discover the history of the iconic swoosh. This remarkable journey unveils the evolution of a brand that has not only transformed the sports industry but has also shaped popular culture across the globe.

Founded in 1964 by Bill Bowerman and Phil Knight as "Blue Ribbon Sports," Nike grew from selling running shoes out of the back of a car to becoming a global icon. From the creation of the revolutionary "waffle sole" shoe to the launch of the Air Jordan line, Nike catapulted into international prominence. This beautifully illustrated book brings to life the defining moments of Nike's history, particularly the brand's breakthrough signing of Michael Jordan in 1984, which set the stage for Nike's dominance in athlete partnership.

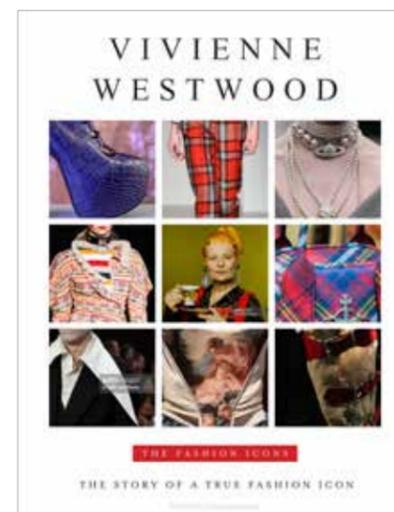

Nike has partnerships with more than 300 athletes and teams across various sports, including recent iconic figures like Carlos Alcaraz, Marcus Rashford, and Cindy Ngamba. Nike has over 200 million followers across platforms like Instagram, Facebook, and Twitter, showcasing its extensive engagement with consumers.

\$50 billion was Nike's annual revenue in 2023.

The Fashion Icons: Vivienne Westwood

Written by Emilie Murray

This beautifully illustrated book tells the incredible story of Dame Vivienne Westwood a British fashion designer largely responsible for bringing modern punk and new wave fashions into the mainstream.

Traditionalist, provocateur, utterly contemporary: Vivienne Westwood was one of British fashion's most famous – and most contradictory – designers. The woman who helped create punk clocked up over four decades on the cutting edge, and produced some of modern style's most recognisable looks. Westwood came to worldwide attention when she made clothes for the boutique that she and Malcolm McLaren ran on King's Road, which became known as Sex. Their ability to synthesize clothing and music shaped the 1970s UK punk scene, which included McLaren's band, the Sex Pistols. She viewed punk as a way of "seeing if one could put a spoke in the system".

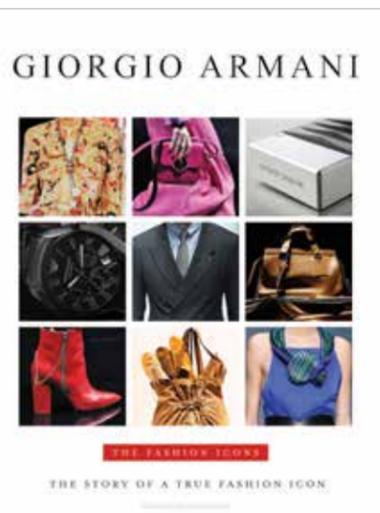

Her designs were a key part of the 'punk era' of music created in Britain in the 1970s

The Sex Pistols wore many of Vivienne Westwood's designs

Westwood designed many of the colorful suits and outfits Duran Duran wore during the 1980s and has designed for Princess Eugenie as well as Pharrell Williams and Dua Lipa.

The Fashion Icons: Giorgio Armani

Written by Alison James

This beautifully illustrated book tells the story of Giorgio Armani, the Italian fashion designer who transformed the world of fashion with his elegant, minimalist, and timeless designs.

Innovative master of understated luxury, Giorgio Armani founded his eponymous label in 1975. Since then, he has been at the forefront of global style for more than four decades, creating some of the most iconic and enduring looks in modern fashion. After gaining global recognition for his groundbreaking unstructured suits, Armani designs quickly became synonymous with power and refinement. His work in Hollywood, dressing countless celebrities and collaborating with numerous high-profile brands, played a significant role in solidifying his reputation as a leading fashion icon.

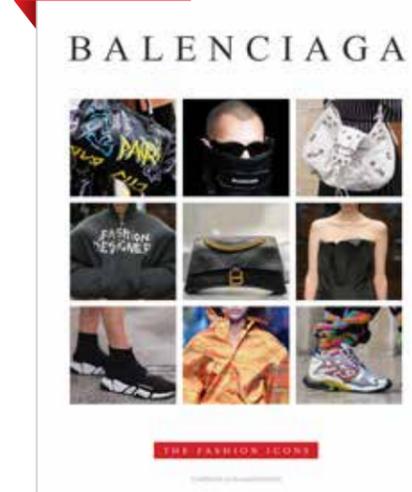

Giorgio Armani is synonymous with luxury fashion and is one of the most iconic fashion brands.

Armani has dressed many musicians for their world tours, including Lady Gaga, Beyoncé, and Tina Turner.

NEW FOR 2026

The Fashion Icons: Balenciaga

Written by Alison James

The Balenciaga label was founded by Cristóbal Balenciaga in 1919 in San Sebastián, Spain.

Gaining rapid recognition, Balenciaga opened his first Paris boutique in 1937, establishing his fashion house in the heart of the fashion world. After World War II, Balenciaga introduced iconic designs like the “balloon jacket” and “sack dress,” which defied the fitted waists and exaggerated hourglass shapes that dominated the fashion scene at the time. His minimalist yet unique designs set a new standard in luxury fashion, influencing generations of designers to come.

Balenciaga has successfully blended luxury fashion with streetwear, becoming a frontrunner in the trend.

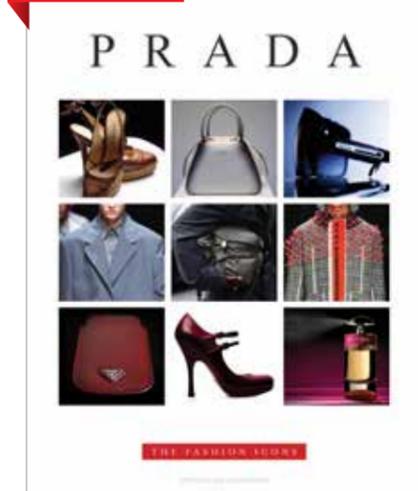

Balenciaga’s creations have been featured in several museum exhibitions, notably its own Cristóbal Balenciaga Museum (2024) and the grand showcase “The World of Balenciaga” at the Metropolitan Museum of Art (1973).

The brand has engaged in many high-profile collaborations, including Adidas, Gucci, PlayStation, and a limited-edition partnership with Crocs (2018) that sold out within hours.

The Fashion Icons: Prada

Written by Alison James

The Prada label was founded by Mario Prada in 1913 in Milan.

Initially, Prada focused on luxury leather goods and accessories, operating from its small, yet elegant boutique in the prestigious Galleria Vittorio Emanuele II. The brand quickly gained recognition for its exceptional craftsmanship and innovative designs, receiving the prestigious title of ‘Official Supplier of the Italian Royal Household’ by 1919.

In the 1970s, Miuccia Prada joined the family business and introduced the now iconic black nylon backpack, which broke new ground in fashion by transforming the utilitarian material into high fashion. Prada has since become recognized for blending simplicity with a forward-thinking, intellectual design philosophy, and incorporating experimental textures, patterns, and silhouettes without losing the brand’s signature refinement.

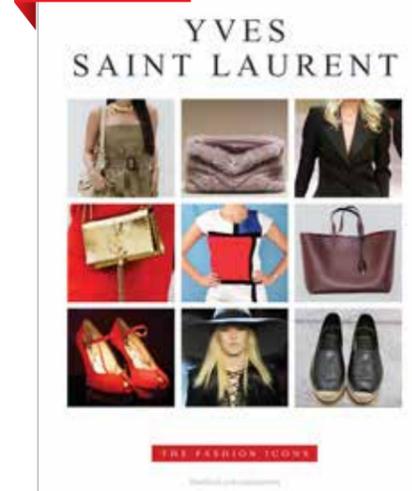

Miuccia Prada revolutionized luxury fashion, combining her intellectual approach with functional aesthetics.

Prada has collaborated with numerous celebrities, such as Rihanna, Kendall Jenner and Sarah Jessica Parker.

The Fashion Icons: Yves Saint Laurent

Written by Alison James

This beautifully illustrated book invites you into the world of Yves Saint Laurent, the iconic French designer who revolutionised fashion with his fearless creativity, androgynous styles, and confident use of color and culture.

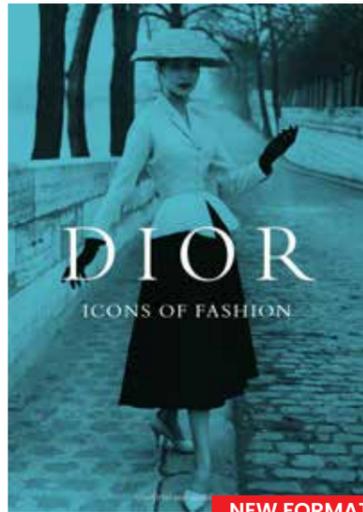

The Yves Saint Laurent label was founded by Yves Saint Laurent and his partner Pierre Bergé in 1961 in Paris. In 1966, Saint Laurent revolutionised women’s fashion by introducing the “Le Smoking” tuxedo suit, a bold move that challenged the traditional gender status quo in fashion and redefined modern womenswear. Intellectual design philosophy, and incorporating experimental textures, patterns, and silhouettes without losing the brand’s signature refinement.

Yves Saint Laurent drew inspiration from art, history, and a rich array of cultures, seamlessly weaving vibrant colors, dramatic silhouettes, and influences from Africa, Asia, and especially Morocco into his designs. The iconic “YSL” logo, synonymous with luxury and sophistication, remains a symbol of the brand today.

Yves Saint Laurent is synonymous with luxury fashion and is one of the most iconic fashion brands, returning to the Top 5 in the Vogue Business Index (2023).

Dior: Icons of Fashion

Written by Michael A. O'Neill

Christian Dior was a French fashion designer who founded the iconic fashion house Dior in 1946. He was known for his elegant, feminine designs, and his use of luxurious fabrics and intricate details.

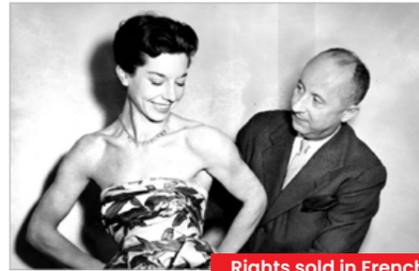

This beautifully illustrated book for every lover of fashion includes never to be forgotten images of Christian Dior's designs, and illuminates the talent of the man who was France's most unpredictable and spectacular fashion designer.

Dior is one of the best known fashion brands and is worn by celebrities around the globe.

Dior brand ambassadors include Rihanna, Johnny Depp and Kylian Mpabbe.

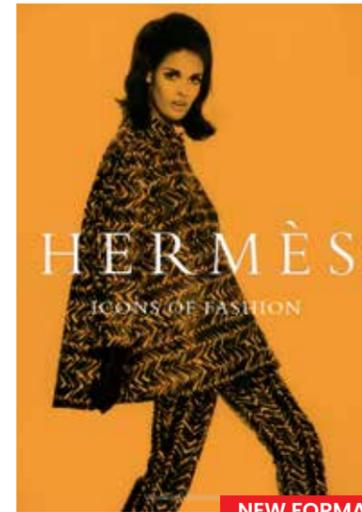

The Miss Dior dress is an iconic fashion item still seen today.

The Diorama dress is a dramatic evening gown featured a fitted bodice with a high, structured collar and a full, sweeping skirt. It was often made in rich, jewel-toned fabrics like velvet and brocade, and it was a favourite of Hollywood actresses like Elizabeth Taylor and Marlene Dietrich and is still a coveted fashion item.

Hermès: Icons of Fashion

Written by Alison James

Hermès was founded in Paris in the 19th century as a saddlery workshop that catered to the needs of horse riders. The company quickly gained a reputation for its exquisite craftsmanship and attention to detail and has evolved into one of the world's most celebrated fashion houses – synonymous with classic design, elegance, luxury and quality.

This book, beautifully illustrated with images of some of the world's iconic fashion items, charts the story of Hermès origins and how the brand became the symbol of French luxury and craftsmanship and the influential, innovative haute-couture power house it is today.

Hermès is synonymous with luxury fashion and is one of the most iconic French luxury fashion brands.

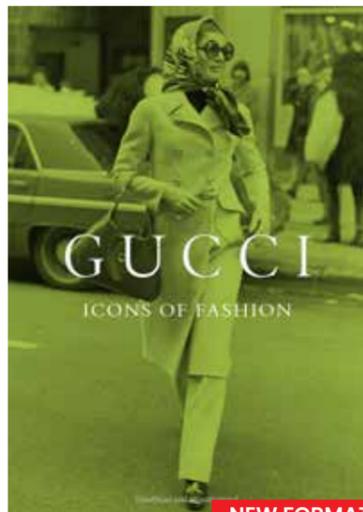

The Birkin Bag (named after Jane Birkin) and the Kelly Bag (named after Grace Kelly) and Hermès Silk Scarf are iconic fashion accessories which are known the world over.

Some of the world's most well known designers have worked with Hermès and their fashion has graced the arms and wardrobes of Kim Kardashian and Victoria Beckham.

Gucci: Icons of Fashion

Written by Alison James

Founded in Florence, Italy, as a luggage brand and equestrian outfitter in 1921, Gucci has evolved into one of the world's most celebrated fashion houses – synonymous with classic design, elegance, luxury and quality. Casa de Gucci – beloved by the great, the good and the uber glamorous – boasts an instantly recognisable signature style all of its own.

This book, beautifully illustrated with images of some of the world's iconic fashion items, charts the story of Gucci's origins. How the brand overcame family in-fighting, scandal and even murder to become the influential, innovative haute-couture power house it is today.

Ridley Scott made a major Hollywood film in 2019 starring Lady Gaga which elevated Gucci the brand around the globe.

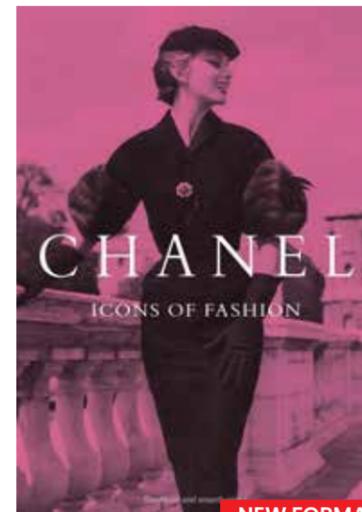

Gucci is synonymous with luxury fashion and is one of the most iconic fashion brands.

The Gucci loafers and Gucci handbag are iconic fashion accessories which are known the world over.

Some of the world most well know designers have worked with Gucci including Tom Ford.

Chanel: Icons of Fashion

Written by Michael A. O'Neill

The Fashion Icons Chanel book is the story of a young girl who transformed herself from an impoverished orphan to one of the wealthiest and most famous women in the world and the book features images and photographs of Chanel's many iconic contributions to women's fashion such as Chanel No. 5 perfume, the little black dress, the Chanel tweed suit, the Chanel 2.55 bag and the Chanel sling back shoes.

Couturière to stars of the Hollywood silver screen, politics and French and British high society, Marlene Dietrich, Marilyn Monroe, Jackie Kennedy, Jane Fonda and myriad others counted themselves amongst her customers. This is the story of her remarkable life and fashion illustrated with beautiful images.

Chanel No 5 is one of the worlds best known and best selling perfums.

The Chanel handbag is an iconic design which has been sold since 1929 and is still recognized throughout the world.

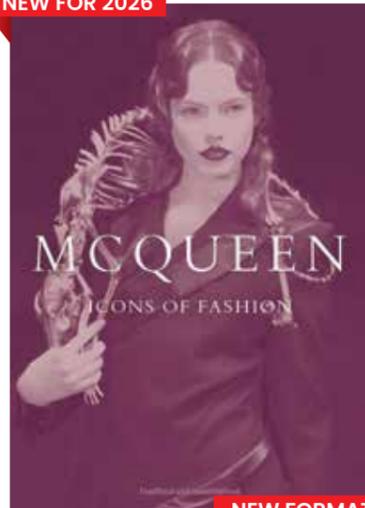

The Chanel 'Little Black dress' is an iconic fashion item first designed in the 1920's and is still sold worldwide today.

McQueen: Icons of Fashion

Written by Michael A. O'Neill

The Fashion Icons McQueen is magnificently adorned with some of Lee Alexander McQueen's most riveting designs, and the narrative illuminates the personal and professional struggles of a man who dared to defy accepted norms in the cavernous halls of fashion and give the world a new sense of the grandeur of which human creativity is capable.

The Fashion Icons McQueen will imprint upon the reader never to be forgotten images of his explosive designs, illuminate his talent and delve into the mind of a man who was Britain's most unpredictable, tormented and spectacular fashion designer.

So what are you waiting for?

Awarded British Fashion Designer of the Year 1996, 1997, 2001 & 2003. Awarded CBE.

Vuitton: Icons of Fashion

Written by Alison James

The Louis Vuitton label was founded by Vuitton in 1854 in Paris.

In 1858, Vuitton introduced his flat-topped trunks with Trianon canvas, making them lightweight and airtight. Louis Vuitton's graphic symbols, including quatrefoils and flowers (as well as the LV monogram), were based on the trend of using Japanese Mon designs in the late Victorian era. The company is still known for its signature monogram bags today.

Louis Vuitton has evolved into one of the world's most celebrated fashion houses – synonymous with classic design, elegance, luxury and quality. Louis Vuitton – beloved by the great, the good and the uber glamorous – boasts an instantly recognisable signature style all of its own. This book, beautifully illustrated with images of some of the world's iconic fashion items, charts the story of Louis Vuitton's origins and how the brand became the influential, innovative haute-couture power house it is today.

Louis Vuitton is synonymous with luxury fashion and is one of the most iconic fashion brands.

The LV bags are iconic fashion accessories which are known the world over.

Westwood: Icons of Fashion

Written by Emilie Murray

This beautifully illustrated book tells the incredible story of Dame Vivienne Westwood a British fashion designer largely responsible for bringing modern punk and new wave fashions into the mainstream.

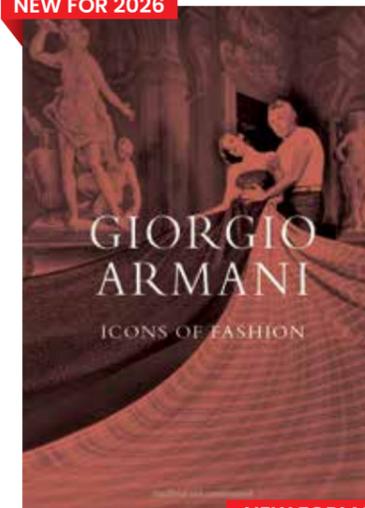

Traditionalist, provocateur, utterly contemporary: Vivienne Westwood was one of British fashion's most famous – and most contradictory – designers. The woman who helped create punk clocked up over four decades on the cutting edge, and produced some of modern style's most recognisable looks. Westwood came to worldwide attention when she made clothes for the boutique that she and Malcolm McLaren ran on King's Road, which became known as Sex. Their ability to synthesize clothing and music shaped the 1970s UK punk scene, which included McLaren's band, the Sex Pistols. She viewed punk as a way of "seeing if one could put a spoke in the system".

Her designs were a key part of the 'punk era' of music created in Britain in the 1970s

Westwood designed many of the colorful suits and outfits Duran Duran wore during the 1980s and has designed for Princess Eugenie as well as Pharrell Williams and Dua Lipa.

Armani: Icons of Fashion

Written by Alison James

This beautifully illustrated book tells the story of Giorgio Armani, the Italian fashion designer who transformed the world of fashion with his elegant, minimalist, and timeless designs.

Innovative master of understated luxury, Giorgio Armani founded his eponymous label in 1975. Since then, he has been at the forefront of global style for more than four decades, creating some of the most iconic and enduring looks in modern fashion. After gaining global recognition for his groundbreaking unstructured suits, Armani designs quickly became synonymous with power and refinement. His work in Hollywood, dressing countless celebrities and collaborating with numerous high-profile brands, played a significant role in solidifying his reputation as a leading fashion icon.

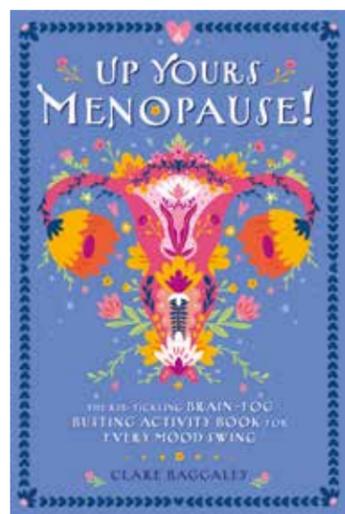

Giorgio Armani is synonymous with luxury fashion and is one of the most iconic fashion brands.

Armani has dressed many musicians for their world tours, including Lady Gaga, Beyoncé, and Tina Turner.

Up Yours! is a bold new imprint from Danann Media Publishing and A Mischief of Magpies, launched in 2024.

Specialising in hilarious and cheeky gift activity books, it tackles life's ups and downs, from menopause and old age to the chaos of adulting. Perfect for self-purchase or gifting, this range brings laughter to life's trickiest moments.

Up Yours Menopause!

Written by Clare Baggaley

This ridiculously funny activity book is designed to turn your menopausal moments into a comedy routine..

Create your own fiery alter ego with the hot flush name generator, enjoy sassy cocktails, and upcycle your unused sanitary towels into quirky crafts. From brain-teasing cross words and meno-dokus to seek-and-find puzzles like 'Hunt the Tampon', joyful colouring pages, playlists, 'Would You Rather...' cocktails, get crafty with playful bunting and so much more!

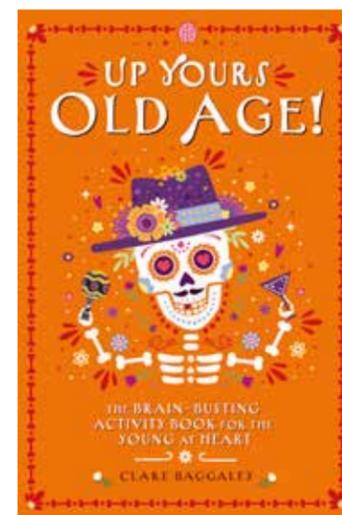

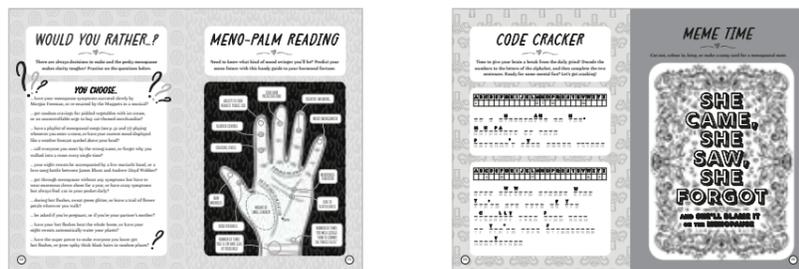

Packed with over 50 activities that transform everyday menopausal challenges into laugh-out-loud fun, and help you keep your meno brain active.

Up Yours Menopause! brings a fresh, funny perspective on menopause, helping readers laugh their way through the journey with humour and authenticity.

Packed with relatable and unique activities, from crafting and colouring to tongue-in-cheek quizzes, to keep the brain engaged and the spirits high.

A thoughtful, laughter-filled gift for friends, family, or even yourself, celebrating the unfiltered reality of the menopause experience.

Up Yours Old Age!

Written by Clare Baggaley

This outrageously funny activity book turns those aches, groans, and "what was I doing?" moments into comedy gold.

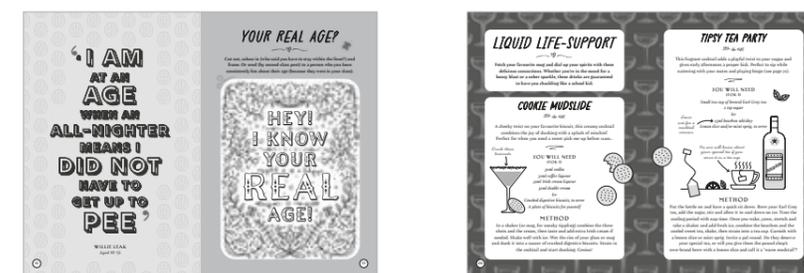

Discover your alter ego with the 'Old Codger Name Generator,' whip up some age-defying cocktails, and become a pro at tea-leaf reading. Stretch those creaky joints with a raucous game of Finger Twister, and listen to playlists for your silver-haired escapades. Spot those elusive pill bottles, tackle crosswords, and colour outside the lines. Plus, enjoy 'Would You Rather...' questions that'll have you in stitches. Keep your wit razor-sharp and your laugh lines multiplying.

Packed with over 50 activities that transform the trials of ageing into laugh-out-loud fun, this book is your ultimate companion to growing old... disgracefully!

Brimming with outrageously fun activities—think name generators, wacky quizzes, and playful puzzles—it keeps the brain buzzing and the spirits soaring.

A brilliantly witty gift for anyone embracing (or denying) their advancing years with a twinkle in their eye and a groan in their knees!

Up Yours Adulting!

Written by Clare Baggaley

This laugh-out-loud age-inappropriate activity book takes your tax-return tantrums, flat-pack furniture fiascos and dating-app disasters and treats them with the lack of respect they deserve.

Take the Kidult vs. Adult test to find your true age; use the foolproof flowchart to tackle the minefield of responsible decision-making; and wash down your adulthood woes with nostalgic, delicious Throwback Tipples.

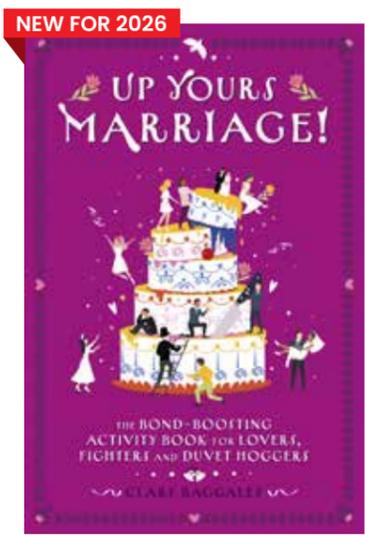

Challenge colleagues to a game of Office Hunger Games to ease the endless boredom of the working week, and let Aunt Agonia analyse your crisis-management style. With pages to colour, doodle, caption and decode, this book helps you laugh in the face of adult life's endless admin.

Packed with over 70 ridiculously relatable activities that mock the mundane world of the no-longer-young, this book is your ultimate guide to faking adulthood with flair, foolishness and furious eye-rolls.

Up Yours Adulting! takes a hilariously unfiltered look at the chaos of growing up, helping readers laugh their way through dodgy life choices, responsibilities, and never quite feeling like a real adult.

The perfect fun gift for anyone reluctantly navigating adulthood, whether they're juggling bills, careers, or just trying to remember where they left their keys.

Up Yours Marriage!

Written by Clare Baggaley

Love, laughter & happy ever after? This hilariously irreverent activity book turns the chaos of married life into your very own lovers adventure.

Discover your inner spouse name with 'Name That Lover!', sip on scandalous 'Love on the Rocks' cocktails, and craft DIY 'date night disasters' with supplies you'll actually use. Tackle brain-teasing crosswords, learn to turn the end of the loo roll into a heart, giggle through outrageous 'Would You Rather...' dilemmas, and take the quiz to see if you really know your other half (or just pretend you do).

Packed with over 60 laugh-out-loud, Up Yours Marriage! transforms everyday wedded madness into side-splitting fun – keeping both your love life and sanity intact!

Fun for couples or solo – quizzes, doodles, and challenges that reveal how well you really know each other.

Cheaper than therapy – a riotously funny way to keep the spark, sanity, and sense of humour alive.

Up Yours Middle Age!

Written by Clare Baggaley

RRP £7.99
 June 2026
 152 x 228 mm
 Paperback Book
 112 pages
 Text: 10,000 words
 Over 50 black and white illustrations

Too young for a pipe and slippers, too old for TikTok fame – this outrageously funny activity book celebrates the muddle of midlife with a wicked sense of humour.

From the 'Midlife Alter Ego Generator' to the 'Teenager Translator', from crisis flowcharts to regret-captioning, it's a playful guide to surviving dodgy eyesight, random aches, and the creeping suspicion you've already told that story three times today.

Full of over 60 silly, sassy, and side-splitting activities designed to take the sting out of midlife madness.

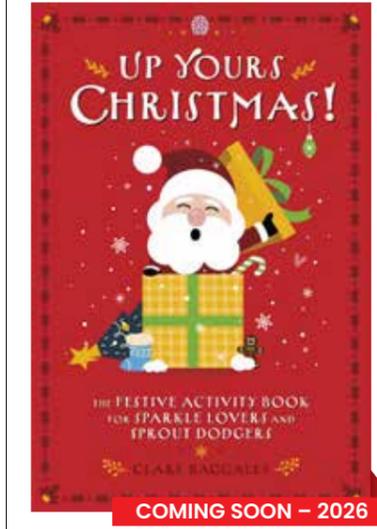

Perfect for anyone battling brain fog, hot flashes, or sudden urges to take up paddleboarding and mountaineering.

The ideal gift for friends, family, or yourself... because laughter is the only anti-ageing cream that actually works.

Up Yours Christmas!

Forget silent nights, this festive activity book is here to jingle your bells and roast your chestnuts with laughter.

Packed with over 60 brilliantly cheeky activities, it's the ultimate antidote to holiday stress: tackle the Naughty vs. Nice quiz, stir up scandalous Christmas cocktails, and outwit your family in Secret Santa Showdowns. Whether you're dodging sprouts, wrestling tangled lights, or surviving yet another board game row, this book will keep spirits high (and glasses topped up).

The funniest way to beat festive burnout, laugh at the disarray instead of crying into the gravy.

Brimming with quizzes, puzzles, games and outrageous seasonal challenges.

A cracking stocking filler or Secret Santa gift – guaranteed to keep the whole house giggling till after New Year.

Tilly Books is an illustrated new imprint from Danann Media Publishing and Tilly-ink Rights Agency, which focuses on comic trends and design led concepts and characters.

Perfect for gifting and bringing a light and humorous touch to the everyday life.

50 Badass Cat Ladies Who Rocked the World

Illustrated by Emily Skinner, Author: Tilly

RRP £14.99
 ISBN: 978-1-917259-35-4
 October 2025
 170 x 240 mm
 Hardback Book
 112 pages
 Text: 25,000 words
 50 colour portraits

It seems that the 'Crazy Cat Lady' from the Simpsons is long over and done with. Now, being called a 'Cat Lady' is cool.

In 2021, JD Vance didn't know the major role he was about to play in debunking the crazy cat lady myth when he unashamedly called the Democrats' leaders, namely Kamala Harris, "a bunch of childless cat ladies who are miserable at their own lives" during a televised interview. His infamous slur became viral during the American presidential elections in 2024, when he was chosen by Trump as VP candidate for the Republicans.

Cat lady pride invaded social media and brought an unprecedented scratch of feline feminism to the sign of the times. Taylor Swift gave the new term and the associated meme its rightful crown in her social media endorsement of Kamala Harris, signing "Taylor Swift, Childless Cat Lady."

From Egyptian Queen Nefertiti to Chinese poet Li Qingzhao, astrophysicist Margherita Hack, actress Audrey Hepburn and of course, the pop icon Taylor Swift... this book celebrates fifty badass women through the centuries to the present day, who rocked the world with their pioneering character and look on life, while celebrating the strongest bond with the most mysterious and independent pet species of all time, the almighty cat.

ABOUT THE AUTHORS:

Emily Skinner is a London based illustrator, who has been published in the UK. She has produced a very popular illustrated ABC of Cats!

Tilly is a French writer living in London, who specialises in humorous writing. She has compiled and written small gift books with several UK publishers.

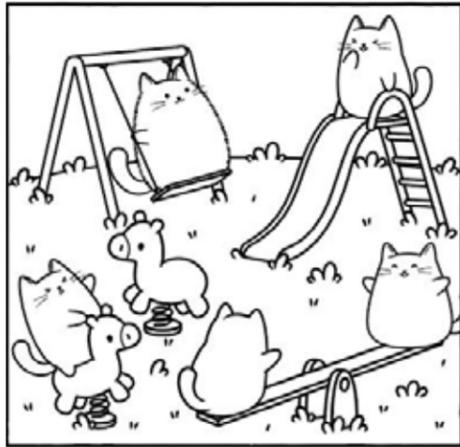

Fiercely independent, strong-minded, elegantly mysterious and most of all, untamed – what could be a better compliment than being called a cat lady?

The perfect gift for cat lovers, who bond on social media through feline feminism.

Bringing The Little People Big Dreams' trend to the Tik Tok and Instagram audience.

Pop art illustrations of famous women and their cats, what else?

Cozy Kitty Colouring

Created by Hardy and Vikki

M.E.S.A. (My Emotional Support Animal) began in 2024 when founders Hardy and Vikki created the character to memorialise their beloved cat, Martini.

What started as a private tribute quickly grew into a viral social creator, sharing jokes, daily moments and short stories with a wide audience. MESA Cat's purpose is to offer gentle emotional support: like people, each MESA is imperfect and faces everyday struggles, but when they come together, they find comfort, humour and joy. Today the project spans illustrated stories, short-form content and collectible products that celebrate connection and resilience. The world of MESA cats blends perfectly with the cozy colouring books' trend. Tilly Books have partnered with the MESA brand to create a book range of 4 titles:
