GFWC Virginia Leadership Education and Development Seminar (LEADS) teaches skills to ensure graduates have the tools necessary to be successful GFWC leaders. All club women are encouraged to attend.

Leaders are not only on the District or State levels, but also club level. The seminar will feature presentations on public speaking, parliamentary procedure, GFWC resources, leadership techniques, GFWC history, and tips and techniques for pursuing leadership opportunities.

Each District is responsible for selecting up to five participants to represent their District. Additional participants will be allowed from each District, as space and supplies allow, on a first come, first served basis. Each participant is asked to be responsible for a portion of their expenses as an affirmation of their personal commitment.

GFWC Virginia LEADS application is available on the GFWC Virginia website. District presidents should forward their selected participants to the GFWC LEADS chairman by June 30<sup>th</sup>.

*Please contact Joanne Dixon, GFWC Virginia LEADS chairman, if you have any questions.
