

Project Ideas for your Club

Your club is vital to the success of the GFWC Virginia State project. Here are a few project ideas to support the state project for your club to consider:

- Donate books about nature to school libraries
- Create STEM kits for local classrooms
- Sponsor a class field trip to a nature center
- Sponsor a guest speaker for a school
- Plant a pollinator garden
- Enjoy a nature walk with your club and invite a naturalist to narrate
- Club members can be citizen scientists on iNaturalist app & upload pictures of nature finds like birds, flowers, insects, etc.
- Provide a scholarship for a week at a 4-H or other nature camp
- Make bird houses or bird feeders
- Financially support the State Project via the Dues & Contribution Form

State Project 2022-2024

The 2022 – 2024 GFWC Virginia State Project supports and promotes education of Virginia's natural resources.

We are encouraging people of all ages to enjoy and explore the outdoors and experience the beauty of our flora and fauna, water, soil and woods.

Project Goals:

- To promote stewardship & education
- To support natural resource non-profit organizations
- To promote student photography and member watercolor contests of Virginia's natural resources

Flower Power Fundraiser

We need you!

Please help GFWC Virginia raise funds to support and achieve our project goals.

Proceeds will be used to offer opportunities for learning through school programs and partnerships with other non-profit Virginia Natural Resource organizations.
