2. An exhibitor who is declared ineligible under the UIL No Pass/No Play rule shall not be allowed to participate during the Lubbock County Junior Livestock Show, nor shall the animal or animals that are only validated in the exhibitor's name be allowed to participate.
3. Limitation of Liability and Assumption of Risk;
The Lubbock County Junior Livestock Show Committee, workers, and sponsoring organizations will not be held responsible for any death, loss, injury, or damage that may occur to any animal, equipment, exhibitor, or other person. By participating in this event, all exhibitors and attendees agree to assume all risks and liabilities associated with the show.
4. Filing a Complaint; To file a complaint, an individual must submit a written statement to the Superintendents of the Department where the complaint is being made. The complaint must be accompanied by a **\$250 cash fee**. This fee will be refunded only if the complaint is found to be valid. Deadlines and Forfeiture; All complaints must be filed within **1 hour** after the species in question has completed the Grand Drive. If a complaint alleging a violation of the LCJLSA rules by an exhibitor or their animal is found to be valid, the exhibitor will **forfeit all of their winnings**. Final Decision; The **LCJLSA Board of Directors** has the final authority to interpret all rules, make a decision on a properly submitted complaint, refund the complaint fee, and determine the forfeiture of winnings. All decisions by the Board are final.
5. Entry fee for all species: \$35 per animal
 - **Entry Deadline: December 7, 2026**
 - All entries must be electronically entered and paid for using the Showman app
 - Any entry received after the deadline will be assessed a \$35 late fee per entry.
6. Each exhibitor may enter as many animals in each division as desired; however, each exhibitor may sell a total of two animals.
7. Exhibitors must own their animals at the beginning of and throughout the entire feeding period. Exhibitors must feed, care for and exhibit animals entered without aid or assistance during the entire feeding period, except from their CEA or AST or from other junior exhibitors and leaders within their county. This rule is subject to random inspection and violation of this rule will result in disqualification from exhibiting in the current Livestock Show.

All animals must be legally validated under current Texas guidelines and be on feed by the following dates:

Steers	July	1
Lambs	Nov.	1
Swine	Dec.	1

8. NO FEMALE ANIMALS will be allowed in the Swine, Steer or Lamb shows.
9. Any Breed with 8 or more classes will be divided into intermediate weight divisions (for example, lightweight, middleweight, and heavyweight). Winners of the intermediate divisions will show for breed/reserve breed champion.
10. No animal is eligible for this show if said animal has passed through an auction as the subject of a possible sale, or in a premium sale as result of a stock show outside Lubbock County.
11. The management of the Lubbock County Stock Show reserves the right to accept or reject any entry and does not guarantee space in the show barns. This is to ensure that only animals with merit, which will be a credit to both the exhibitor and the show, are included.
12. The exhibitor designated on the entry form at weigh-in is the only person permitted to show that animal in the ring. Violations of this rule lead to total disqualification and the immediate forfeiture of all premium and sales monies for the current year. If you have an emergency (e.g. medical, illness, or two animals in the same class), please see Rule #13
13. Substitute Exhibitors- All substitutes must be entered in the show and have an exhibitor number.
 - If an owner has two entries in one class, breed drive, or grand drive, a substitute is allowed to handle one of the entries.

 - A substitute can be used for a lower-placing animal only if the exhibitor cannot show it due to reasons beyond their control and with the approval of the Department Superintendent.
 - A substitute form must be completed and signed by the ag teacher or county extension agent **30 minutes prior** to the animal being shown and presented to the Superintendent for approval. Forms are available on the website or in the Showman App.
14. If any exhibitor in any way, whether in person or by agents or servant, interferes with the judges during their judging, or show any disrespect for them or the show, the Board of Directors may demand a proper apology from such exhibitor, withhold such premiums that may have been awarded or take other steps as it deems necessary.
15. All livestock intended for exhibition at this show are subject to and governed by the sanitary regulations of the Texas Animal Health Commission.

16. Exhibitors in all divisions will be responsible for keeping the area around their exhibits, including aisles, neat and clean. Soiled litter must be taken to a designated area for removal by Fair personnel. At the discretion of the Superintendent, premiums may be withheld from exhibitors not complying with this rule.

- If you put any boards/tarps around your pens, these must be removed from the premises when you leave.
- If you clip or shave your animal at the stock show, all hair and trash must be removed from your area and placed in the trash containers.
- Any fines placed on the Lubbock County Livestock Show Association will be charged back to the chapters in violation.
