STORY

An outbreak has occurred and spread to your city. You need to escape but in order to get you will need to fuel to make the journey.

In the badlands of the new world you set out to escape with your friends.

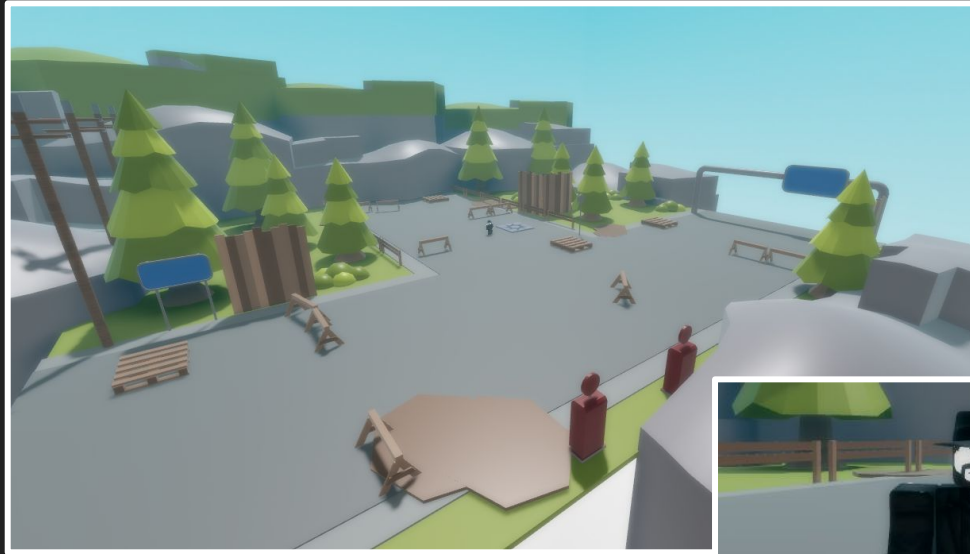

Fight. Survive. Escape.

QUEUE IN LOBBY

Join a lobby that supports up to 3 players and vote to start.

Hurry, cause the round starts in 30 seconds!

SELECT YOUR CHAPTER

You have limited options to choose from.

Vote with your friends on your next destination. Best of 3 wins.

Beware, you can't retrace your steps or change your mind.

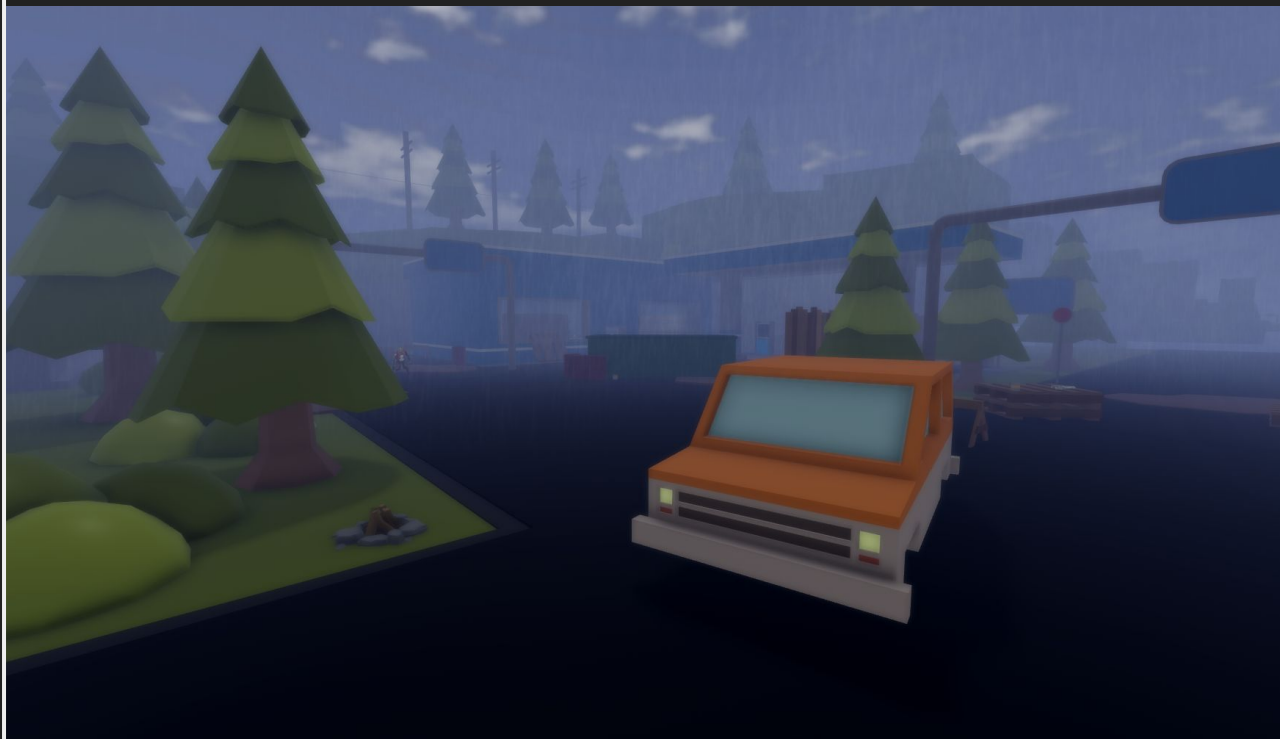

Unless you play again!

EXPLORE

Each chapter has its own unique sound, lighting, and weather conditions based on the terrain (City, Forest, Desert, Winter, Badlands).

You'll want to keep a close eye out for anything you could use to stay alive.

TALK TO NPCs

It's best to talk and ask for advice, you might learn something from the people who been making it out in the Badlands so far.

NPCs at the beginning help provide some context clues to play the game.

What is the Gas for?

What is the Food and Drink for?

Bye!

Sarah

Hey you there, yeah you! See these? In order to get out of here you're going to have to keep your eyes out for them to survive!

COLLECT LOOT

Keep your hunger and thirst up by finding food and water.

Get fuel in order to leave and progress to the next chapter.

All lootable items get highlighted!

FIGHT

Pick up a weapon and protect yourself.

Shoot at explosive barrels to blow them away.

Be careful, there could be more than one infected around, even hidden behind the corner!

Aim to highlight targets!

ESCAPE!

Get your gasoline and hit the road and escape.

Read the end of the Journey Map to complete your journey.

THANK YOU!
