Town Manager Eric Pollitt stated he was just going by the policy that Council adopted in June 2019 for park and facility fees. Town Manager Pollitt stated that the fees for the Farmers Market is a one-time fee of $10 for all vendors for the year. Mrs. Miller stated the Ruritans and other organizations should not have to come to Council every time they want to use the facilities to ask that fees be waived.

   b) **Reese McClanahan.** Mrs. McClanahan stated she thought her appointment on the Planning Commission was not up for several more years but found out her term expires 12/31/2019. Town Manager Eric Pollitt stated Council adopted reorganized the Planning Commission back in June of 2019 as well as the terms, because nothing in the minutes stated who was to serve and the terms of those serving on the Planning Commission. C. 138 Catawba Vacate Alley Way. Town Manager Eric Pollitt stated vacating the alley is the last step needed to getting access to tear the house down. Town Attorney Tom Simons stated he would suggest voting on a conditional vacation depending on the owners tearing the abandoned house down, cleaning the site on lots 4, 6, and 8, block 98, then the vacation would be permanent. Town Attorney Simons stated Council can add any conditions they want to such as giving a set time for this to be done, replacing the old bridge, etc. Town Manager Pollitt stated there is also the question of the owners hooking up to the town’s sewer system as there is a septic tank there now. Town Attorney Simons stated after all conditions were met he would prepare an ordinance to be voted on. Councilor Sonny Williams stated the Town needs to have some questions answered before they go any further and told Town Manager Pollitt to talk to them and find out everything from them e.g. how long it will take to tear the house down, etc., including the sewer hook-up.
