Town Manager Pollitt stated Council has a copy of the budget in their packet. Town Manager Pollitt stated he had spoken with SERCAP and this did not come under the scope of the grant. Town Manager Pollitt stated he had also spoken with Doug Hudgins with CHA and Mr. Hudgins stated Mr. Shafer’s property was not identified as being eligible for this project as his lateral entered a manhole and this was not part of the sewer rehab project.

Town Manager Pollitt stated the plants were put in on Monday and Tuesday, September 30th and October 1st. Mrs. Miller stated the Ruritans have always used the park once a year for their annual picnic and were told this year they would have to fill out an application and pay a fee. Mrs. Miller stated she is asking Council to waive these fees in the future. Mrs. Miller stated there are also people who want to use the Farmers Market occasionally but do not have the money to pay a fee each time. Town Manager Eric Pollitt stated he was just going by the policy that Council adopted in June 2019 for park and facility fees. Town Manager Pollitt stated he was not aware that Council had waived these fees for community organizations in the past. Town Manager Pollitt stated that the fees for the Farmers Market is a one-time fee of $10 for all vendors for the year. Mrs. Miller stated the Ruritans and other organizations should not have to come to Council every time they want to use the facilities to ask that fees be waived.

   b) **Reese McClanahan.** Mrs. McClanahan stated she thought her appointment on the Planning Commission was not up for several more years but found out her term expires 12/31/2019. Town Manager Eric Pollitt stated Council adopted reorganized the Planning Commission back in June of 2019 as well as the terms, because nothing in the minutes stated who was to serve and the terms of those serving on the Planning Commission. Town
Manager Pollitt stated there will be new appointments made at the January 2020 Council meeting and she could be reappointed if Council choses to do so.

**Action Items**

Councilor Williams stated fees for these community organizations should be waived. Town Council concurred.

   **Motion** by Councilman Williams Seconded by Andrea Bradley to waive the fees for the Glasgow Ruitan Club, Fire Department, and Rescue Squad, when reserving any public facilities in perpetuity, as long as the organization has an active club in Town limits.

C. 138 Catawba Vacate Alley Way. Town Manager Eric Pollitt stated vacating the alley is the last step needed to getting access to tear the house down. Town Attorney Tom Simons stated he would suggest voting on a conditional vacation depending on the owners tearing the abandoned house down, cleaning the site on lots 4, 6, and 8, block 98, then the vacation would be permanent. Town Attorney Simons stated Council can add any conditions they want to such as giving a set time for this to be done, replacing the old bridge, etc. Town Manager Pollitt stated there is also the question of the owners hooking up to the town’s sewer system as there is a septic tank there now. Town Attorney Simons stated after all conditions were met he would prepare an ordinance to be voted on. Councilor Sonny Williams stated the Town needs to have some questions answered before they go any further and told Town Manager Pollitt to talk to them and find out everything from them e.g. how long it will take to tear the house down, etc., including the sewer hook-up. Councilor Barret McFaddin stated he was in favor of a conditional vacation and he thought 120 days to get everything done was reasonable. A. 138 Catawba Request for Vacating of Public Alley

Tom Simons the Town Attorney addressed the Council and property owner about why we are meeting tonight. Council can grant a conditional vacation of the alley upon certain conditions. Council members had questions for the property owner Mrs. Kerr before granting the vacation of the alley. Tom opened the floor to Council.

- Mr. Britton – What time frame are we looking at to get this torn down?
- Mrs. Kerr – Once we get the vacation of the alley then we can bring this to the mortgage company and begin the process of tearing the house down. The underwriter can’t move to take the house down until the conditional vacation of the alley.
- Mr. Britton – Would 9 months be sufficient time for you all?
- Mrs. Kerr – That would be sufficient.
- Mr. Britton – The house needs to be torn down by the end of July 2020.
- Council – We agree.
- Mr. Williams – What about the bridge there and water and sewer? Could we make the vacation conditional if the bridge is rebuilt exclusively on lot 1?
- Mrs. Kerr – We can build the bridge just on that lot (1) and the house being centered on lot 6 to clear up any potential confusion. We plan on hooking up to the Town’s system for water and sewer. Mrs. Kerr – The bridge would be included in construction.
• Mr. Simons – Council, to be clear you are not marking water and sewer hookup a requirement for the vacation, is that correct? Who is paying for the hookup?
• Mrs. Kerr - The Town will be paying for the water and sewer hookup.
• Council – That is correct, we are not making it a requirement to hookup to our system and the Town has agreed to pay for the install.
• Mr. Britton. – I motion we the Council conditionally vacate the alley permanently upon the house being torn down and removed from the premise by the end of July 2020, the new bridge being built exclusively on lot 1, and the house being centered on lot 6 per the survey provided, as of October 17th, 2019.
• Mrs. Bradley – Second

Vote was unanimous 3-0.

Mr. Simons – Mr. Pollitt, we now need you to type up on letter head a letter to Mrs. Kerr providing notice of Council’s decision to conditionally vacate the alley as of today. This will be used by the property owner as proof to Clayton Homes and the underwriter for them to move forward. I’ll review the letter before delivering to the property owner. We will have this to you (Mrs. Kerr) by no later than next Wednesday.

Mr. Britton – Motion to adjourn the meeting.
Mrs. Bradley – Second.

Votes was unanimous 3-0.

MEMORANDUM
PLANNING COMMISSION MINUTES

Date: October 30th, 2019
From: Eric Pollitt – Town Manager
To: Planning Commission
Subject: October 30th, 2019 Planning Commission Committee Minutes
CC: Mayor, Council, Jane Higginbotham

Below is a summary of the August Planning Commission Committee:

1. Call to Order – called by Chairman Bob Hinkle at 6:00 PM.
2. September 25th, 2019 Minutes
   Mr. Britton motioned to adopt the September 25th Meeting Minutes as presented, and Mr. Camden seconded.
   Vote was unanimous 5-0.

Reports and Updates

3. Workshop Discussion
   A. 138 Catawba Update
   Mr. Pollitt provided an update to the Planning Commission on the 138 Catawba property’s request for vacation of the public alley. Council hosted a special meeting with the property owner who was unable to attend the public hearing. Council conditionally granted the vacation of the public alley under terms that the current house and bridge be torn down and removed by the end of July 2020.
   
   B. Comprehensive Capital Asset List (CCAL) First Draft
   Mr. Pollitt presented the first draft of the CCAL indicating Jeff Rankin has provided a list for the Water Fund, but was unable to convert the format to this sheet presented. Mrs. Diamond mentioned the metal playground set as something that presented safety concerns with the steps up to the top. Chairman Hinkle discussed the height being a concern. Mrs. McClanahan said this item
stuck out as something the Town should prioritize sooner rather than later due to safety. Another item discussed was the walking track and its use in the community. Mrs. McClanahan stated the need to extend the useful life of the track as long as we can since it is a great asset. Mrs. Diamond suggested a walking tour of these items and facilities. Mr. Pollitt asked if they would be interested in taking a tour of the wells and waste water plant as well? There was group consensus to tour these facilities before the next meeting. Mr. Pollitt stated he would arrange for the group to meet with appropriate staff to answer questions.

**Actions Items**

4. **New Business**
   
   A. **CIP Ranking System**

   Chairman Hinkle lead the discussion about the 2 ranking methods presented. Mr. Hinkle preferred the 1 page (System B) ranking system where all the scores were not of equal weight and it being all on one page. He would like to incorporate a couple of sections from the 2 page (System A) system. Mrs. McClanahan stated she like System A better. There were discussions on which had better descriptions and scoring methods. The Chairman and Vice Chair Camden stated they could always tweak one of the 2 and get to something that everyone likes. Mr. Hinkle suggested to use System A and incorporate a ‘seasonal use’ scoring section like in System B. The group agreed, then **Chairman Hinkle motioned** to use System A and incorporate a ‘seasonal use’ scoring section like in System B. **Mrs. McClanahan seconded.**

   **Vote was unanimous 5-0.**

   The Town Manager suggested to walk through an example before leaving so everyone gets a feel for how it works. Mr. Pollitt “submitted” 2 requests: Top priority to replace the fence around the playground for $7K and 2nd priority to replace the metal play set for $5K, with $2,500 “in donations”. Mr. Hinkle lead the ranking discussion with the group in a consensus building manner, with the Commission scoring the fence at 14 points and metal playground at 18 points. The Commission walked away feeling confident with the scoring system and ability to rank staff CIP requests.

Next Meeting: November 20th, 2019 6pm at Town Hall
Comprehensive Capital Asset List
