Presentation:
A. DGIF Police Officer Joseph Manspile. Officer Manspile stated he wanted to let Town Council, as well as citizens of Glasgow, know about how DGIF conducts law enforcement at the boat landing, as there was conflicting information going around. Officer Manspile stated in 2019, DGIF has already issued ten (10) summons/arrests at the boat landing for the following:
   • 1 fishing without a license
   • 1 possession of a concealed weapon
   • 1 possession of a controlled substance – marijuana
   • 1 possession of a controlled substance – meth
   • 1 possession of a firearm and a controlled substance - meth
   • 1 violation of a restricted driver’s license
   • 1 possession of a sawed-off shotgun
   • 2 utilizing the facilities for a purpose other than hunting, boating or fishing

Officer Manspile stated there are signs posted everywhere stating that the area is for hunting, fishing, boating only, and anyone else is trespassing. Officer Manspile stated DGIF owns the gravel parking lot to the culvert under the train tracks. Officer Manspile stated they do not arrest anyone for sitting in their car eating lunch, anyone walking their dog, etc. Officer Manspile stated if anyone looks suspicious they will check them out. Officer Manspile stated drinking and littering are not allowed at the boat landing. Officer Manspile stated they want to keep this area safe and clean for families and the community to use. Councilor Sonny Williams asked if hiking is allowed. Officer Manspile stated hiking is not allowed as DGIF receives federal funding to maintain the area and if someone were doing something that was not allowed and got hurt, DGIF would lose their
funding. Councilor Aaron Britton asked if Officer Manspile knew how many of the arrests made this year were local residents. Officer Manspile stated he did not have that information, and that the Rockbridge County Sheriff Office and Glasgow Police Chief Angel Poole are always patrolling the area as well to make sure everyone is obeying rules, and that the area remains safe and clean. Officer Manspile stated the Rockbridge County Sheriff Department as well as Chief Police are allowed to make arrests there as well under the federal law. Boyd Walker asked if he could ask a question. Mr. Walker was recognized by Town Council to speak. Mr. Walker stated there are conflicting signs at the boat landing that hunting is allowed, then another sign that stated hunting is not allowed. Officer Manspile stated you can hunt water fowl at the boat landing. Mr. Walker stated that he goes to the boat landing almost every day and people have told him that no one is allowed down there, and that they are always run off. Officer Manspile asked Mr. Walker if he had ever been stopped or questioned when he was down there and Mr. Walker stated no. Mr. Walker stated he has an electric scooter and asked if he is allowed at the boat landing with it. Officer Manspile stated, by code, if he has a fishing pole with him he is allowed.

Request for Public Hearing

Town Manager Eric Pollitt stated Mr. Roger Funkhouser has requested a Public Hearing Appeal regarding the Nuisance Ordinance Violation letter he received for high grass on the creek bed at 1006 10th Street. Mr. Funkhouser stated he had made a FOIA request to the Town Manager on all violations sent out from the Town in the last thirty (30) days. Mr. Funkhouser gave Council members a packet of pictures showing other creek beds and property in Glasgow that have not been mowed. Mr. Funkhouser stated there are other creek beds in the Town that have been mowed and weeded by the Town, and there are other areas in Town that have been in non-compliance all summer. Mr. Funkhouser asked why only ten (10) ordinances had been sent out in the last thirty (30) days and none of them had creek beds. Mr. Funkhouser stated the Town used to get the inmates every two (2) weeks to keep the ditches and creek beds mowed and weeded.

Councilor Aaron Britton stated the Town does not get the inmates any more. Town Attorney Tom Simons stated basically the Public Hearing Appeal is a show cause, showing that there is no evidence to back up the violation. Town Attorney Simons stated that the pictures taken and the GIS map show that the property does in fact belong to Mr. Funkhouser. Town Attorney Simons stated if it is proven it is a nuisance, which Mr. Funkhouser admits to, and if it is proven it is his property, then the Town has a legitimate right to send the Nuisance Ordinance Violation letter. Town Attorney Simons stated the fact that others did not receive a Nuisance Ordinance Violation letter is not a defense for this case. Councilor Aaron Britton stated he agreed that everyone should get a letter that is in violation of the grass ordinance. Councilor Britton suggested the Town mow Mr. Funkhouser’s creek bed this time and from now on if it is not mowed, a Nuisance Ordinance Violation letter will be sent. Town Attorney Simons stated the Town has the option of charging a fine(s) found in Section 11-3-e in the Glasgow Town Code, or cutting the grass and charging the homeowner. Town Attorney Simons stated if Council decides a violation has occurred, the Town can send a second letter stating that after the Public Hearing Appeal, the Town still finds that Mr. Funkhouser is in violation, and that he has so many days to comply. Councilor Britton asked Mr. Funkhouser if he is going to cut the grass in the next few days. Mr. Funkhouser stated when he gets Council’s
decision and a second letter, then he will decide what he is going to do. Town Attorney Simons stated the Public Hearing Appeal is concluded.

Mayor Ruby Clark dismissed the Public at 8:15 PM for Town Council to go into Executive Session.

**Motion** by Andy Ryan and **Seconded** by Aaron Britton for Glasgow Town Council to convene in executive session under the Virginia Freedom of Information Act, Sec. 2.2-3711 (A) (1) in order to discuss personnel matters.

MEMORANDUM
PLANNING COMMISSION MINUTES

Date: September 25th, 2019
From: Eric Pollitt – Town Manager
To: Planning Commission
Subject: September 18th, 2019 Planning Commission Committee Minutes
CC: Mayor, Council, Jane Higginbotham

Below is a summary of the August Planning Commission Committee:

1. Call to Order – called by Chairman Bob Hinkle at 6:00 PM.

Reports and Updates

2. Workshop Discussion

Actions Items

3. New Business
   A. Comparison Community List

Mrs. McClanahan and Mr. Hinkle discussed the list of communities presented. The Town Manager stated these communities would be used as a basis for comparison when ordinances needed to be updated. Councilmember Britton suggested trimming the list down to 4 or 5 communities for initial comparison and have the rest as a secondary list if needed. Mrs. McClanahan motioned to have Amherst, Buchanan, Cape Charles, and Damascus as the standard comparison community list, with Colonial Beach, Clifton Forge, Kilmarnock, Monticello, Shenandoah, Tappahannock, and West Point as similar communities. Mr. Hinkle Seconded.

Vote was unanimous 4-0.
B. Capital Improvement Plan (CIP) FY21-25

The Chairman asked the Town Manager to explain what the ranking system means in the Capital Improvement Plan. Mr. Pollitt stated a ranking system is to not only help the Planning Commission determine what to recommend to Council for a Capital Improvement Plan, but also help the public at large understand the thought process and methodology behind the recommendation. The Commission went on to discuss what the baseline dollar amount should be for a capital item. Mrs. McClanahan raised the question about how do we distinguish between operational tools versus capital equipment. Mr. Pollitt and Councilmember Britton indicated the CIP is for large purchases and items over $500 and up to the dollar amount the Commission and Council sets will not be a part of the CIP. These items will be brought before Council, like they are currently. Mrs. Diamond asked what amount of money if any will we be able to work with. Mrs. McClanahan asked what the size of the budget(s) are? Mr. Pollitt stated the General and combined 2 Utility Funds are $500k a piece so a $1m budget. Mr. Hinkle motioned 7% ($35,000) of the operating budget as a starting point and the baseline dollar amount be $3,500 minimum for capital items, and Mr. Britton Seconded.

Vote was unanimous 4-0.

C. Virginia Main Street Program - Commercial District Affiliate

Town Manager Pollitt briefed the Planning Commission on the Virginia Main Street Program. It is a program that focuses on historic preservation and economic development for cities and towns. There are three tiers of communities; Commercial District Affiliate (CDA) is the entry level tier, Virginia Downtown is the middle tier, and Designated Communities which is the third tier and most selective with roughly 30 communities. Becoming a CDA will is free and can only benefit Glasgow allowing access to exclusive workshops and potential grant programs. The question was asked where our main street would be. Mr. Pollitt stated it would be outlined in Glasgow’s historic district which could be something we could look at down the road. Mr. Britton motioned the Planning Commission recommend to Council to adopt a resolution to become a Virginia Main Street CDA and submit a CDA application, Mrs. McClanahan seconded.

Subject: BB&T Bank Charges & Interest Rates
CC: Mayor; Council, Jane Higginbotham

Below is a summary of the fees BB&T charges us on a monthly basis. I talked with the branch manager and a representative over the phone about our current bank account structure. BB&T doesn’t offer better alternatives outside of these 2 accounts.

**0400 Checking:** The account is the Town’s primary check writing account which currently earns 0% interest. This account has been charged the following fees since April:

- 4/22 - $208.42
- 5/21 - $185.91
- 6/21 - $161.50
- 7/22 - $137.20
- 8/21 - $200.73
- 9/23 - $164.75

After talking with a representative over the phone about the fees here is a breakdown of some of the fees what we get charged for:

- Monthly Maintenance fee
- Credits posted
- Branch deposits
- In state deposits
- Other deposits
- Charges per check deposited
- Charges per coin & currency deposited
- Checks and other debits
- ACH items

There were other fees charged as well but these were the more frequent charges.
2123 Money Market: This account is your standard money market account. The funds in the account are liquid at a higher interest rate than a savings or checking account.

- We can transfer into this account as many times as we want in a month;
- We can only transfer out of this account 6 times in a month;
- Our current annual interest rate is 0.75%;
- **This account was opened up late August 2019, because the 0400 account was earning 0% interest.** This at least gave us access to an interest bearing account in this banking institution.
- We earned roughly $52 last month with an average daily balance of $240,000.
