INDIANA NATIONAL GUARD
RELIEF FUND

WHO WE ARE

The Indiana National Guard Relief Fund is an independent nonprofit providing financial relief, readiness resources, and community support to members of the Indiana National Guard and their families.

WHY WE EXIST

We exist to ensure that Indiana National Guard members and their families are financially prepared, strengthened by programs, and supported in times of hardship.

WHO WE SERVE

Members of the Indiana National Guard, Army and Air, and their families. You do not need to be deployed or preparing to deploy. Traditional and full-time members are both eligible.

WHAT WE CAN DO FOR YOU

RELIEF

When hardship hits, INGRF can help.

- **Emergency Gift Cards** for immediate needs like groceries, gas, and hygiene items
- **Hardship Grants** paid directly to the vendor (your landlord, utility, or insurance company), available once per year
- **Emergency Shelter Grants**

READINESS

Solid financial footing before a crisis.

- **Financial Readiness & Resiliency Course**, Levels 1, 2, and 3, with a monetary award for eligible participants
- A **one-on-one session with a Regions Bank banker** to walk through your budget
- **Professional development** courses

COMMUNITY

Strengthening the programs that connect and support Guard families.

- Family, youth, and survivor programs
- Air Guard and Army community programs
- Sexual assault prevention and support programs
- Mental health support programs

WHEN TO REACH OUT

- **You qualify** if you are currently serving in the Indiana National Guard (Army or Air, traditional or full-time) or are family of a currently serving member. No deployment required.
- A bill you can't cover is coming due
- You need groceries or gas now
- You want to build a budget or get ahead before money gets tight
- You're not sure if you qualify. **Ask.**

GOOD TO KNOW

- **It's OK to ask for help.** This organization exists for people like you.
- Hardship Grants are not emergency grants. Applications can take up to 30 days, so **apply early.**
- Grant payments go directly to the vendor, not to the member.
- Every donated dollar goes to Guard members and their families.
