MUSIC PLAYS AN important part in a Senior's leisure time and in 1977 many excellent tunes filled the air. Among the most popular albums were: "Star Wars" (Sound Track Version), "Love Gun" (Kiss), "Hotel California" (Eagles), and of course Fleetwood Mac's "Rumors" (predicted to be the #1 album of the year).

Sadness struck the music world twice in 1977. First in August, when the "King of Rock and Roll", Elvis Presley, died. Tragedy struck a second time when the man who gave us "White Christmas", Bing Crosby, died. The passing of these two giants of the music industry will leave a gap that may never be filled again.

Senior Class Officers are: Madelene Bell, Treas.; Albert Hernandez, V. Pres.; Regina Freeland, Sec.; Ken Cohagen, Rep.; and Mark Ashley, President.
