This is The Beginning

It is time to travel
as far as you can go
it is time to reach the joy
that is within your soul
It is time to change
the limitations that you know
continuously prohibit
your mind and spirit to grow.

It's time to live-
"Exist", "Be", "Do"

It's time to find the truths
that are inside of you.

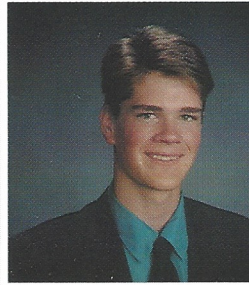

This is the beginning. - Nicole Sanchez

Right: Seniors Silke Dean and Kimberly Davis have been best friends for years. They are happy to have shared their high school years together.
