Senior Class of 1968

Another year, another class of seniors undergoes Mrs. Williamson's tests and Mr. Cupell's government classes.

They also enjoy the fun of being held in esteem by all the underclassmen.

Even though the last year seems to be the hardest and longest, it will always be remembered as the best part of our graduating student's memory.

Seniors Await

We, the class of 1969 have reached the final step in our years at Peoria High School. Left behind are those many moments and memories which have made our years complete. May our memories be ever present in the walls of Peoria High, as we, the class of 1969, descend these steps for the last time.
