

MHS ROBOTICS TEAM 2992

MARCH 2025

The leprechauns made me do it!

NEWSLETTER

Hello, Robotics Families! 🤖

As Mardi Gras ends, our build continues! Thank you to everyone for supporting our team and here's what's new:

MEDIA UPDATES

- NEW WEBSITE LAUNCHED! Be sure to stay up-to-date on everything Team 2992 is doing through the website. <https://mandevilleroobotics.org/>

BUILD PROGRESS

- Testing for the algae and coral claw, our elevator, and our code is underway. Be sure to stay tuned and wish us luck as we progress.
- Keep a look out! Word on the rainbow is that the robot may be on the move soon.

FUNDRAISING

- We have raised over \$60,000 in grants, sponsorships, and in kind valued donations for the 24-25 branding years! We have also fundraised over \$13,000 in this fiscal year so far!

REQUIRED OUTREACH - NON-BUILD HOURS

To qualify for competition travel, students must complete 60 hours total of which a min of 15hours are non-build. These can be fulfilled through various activities including serving as camp counselors and community STEM events.

Dress Code at the shop is the school. Students need to dress appropriately or they will be sent home. Keep it PG.

BUILD SCHEDULE

Monday - Friday
5:30pm - 8:30pm

Saturdays
10am - 6pm

MARDI GRAS BREAK
1pm - 9pm (M - F)

MANDATORY TEAM EVENT!!

May 27, 2025

The robotics team will be taking a trip to visit the State Capital! More details to follow on BAND.

July 19, 2025

Northshore Knockout. We will need help 7.18.25 to help set up as well.

COMPETITION DATES

(Watch BAND for meal orders)

MARCH 13 - 15TH, 2025

Magnolia Regional Competition

APRIL 3 - 5TH, 2025

Bayou Regional Competition

APRIL 16-18TH, 2025

Worlds Competition

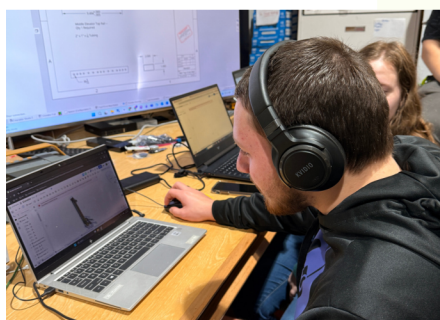

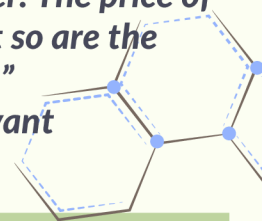

Please be ready to commit to the World Robotics Competition travel immediately if we qualify. Hotel blocks must be reserved within 24 hours of our winning ticket.

“

“If you believe in yourself and have dedication and pride - and never quit, you'll be a winner. The price of victory is high but so are the rewards.”

— Bear Bryant

CONGRATULATIONS
to MAYA and SOFIA
our 2025 Dean's List
nominees.

SATURDAY LUNCHES

March 1 - TBD

March 8 - Walk-Ons

March 22 - Walk-Ons

March 29 - Mrs. Sandra Flad

April 12 - Walk-Ons

Thank you to our generous sponsors and mentors! Please support their businesses as they support our team.

CAMP COUNSELOR SIGN UP

Have your teen sign up to volunteer at summer camp. They should sign up in BAND.

Dates: June 9-13 and July 7-11

**NON BUILD HOURS
ALERT!!!**

Check your pits at the door

Quick reminder to your teens about our workshop environment! Since we work closely together in teams while building awesome robots.

Please come fresh and ready for action.

Remember that physical work = sweating, so pop on some deodorant before heading to the shop

Bringing a personal care kit (deodorant, fresh shirt) can be handy for those long build sessions

Chocolate Fundraiser

THANK YOU to every student, parent, and mentor who participated in our World's Finest Chocolate fundraiser over the past month! We have raised...drumroll please...\$1,200!

New resources

With the help of our many sponsors, Team 2992 has now acquired a Travel trailer, FLL robots, and Sphero Bolts!

Shout out to Larry for rallying the sponsorship with Soundwave Technologies for the Sphero Bolts

ROBOTS NEED YOUR RECYCLABLES!

Before tossing out those holiday leftovers, help the team by donating items they can tinker with at NSK Stem Fest. We're looking for:

- Old electronics (computers, phones, keyboards)
- Things that can be taken apart and explored
- Clean recyclable materials for building
- Unwanted gadgets and gizmos

Today's trash could be tomorrow's robot! Your donations will spark creativity and hands-on learning for young innovators.

ANNOUNCEMENT

Dear Parents of MHS Robotics Team 2992,

We're excited to share that your child has been invited to the State Capitol to receive a special Resolution recognizing their outstanding work in STEM Education and Robotics!

Event Details:

Date: Tuesday, May 27, 2025

Drop off: 6:00 AM at Don's Seafood, Covington

The bus will depart promptly

Dress Code: Team polo with black slacks.

As this is an official state function, students should arrive freshly showered and well-groomed. Professional appearance is important when representing our school!

Our students will enjoy breakfast with the Lieutenant Governor at the Pentagon Barracks, followed by lunch hosted by Representative Kim Carver and Senator Patrick McMath in the Senate Dining Hall.

Return Information:

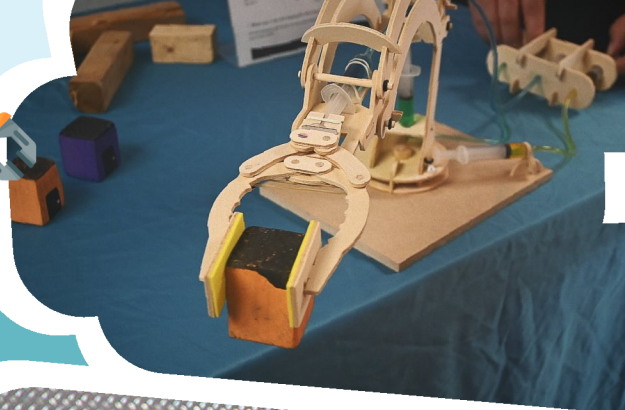

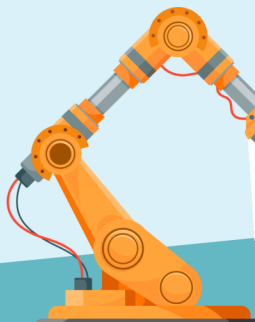

Parents are invited to attend a Team Dinner at Don's Seafood (Dutch Treat) at 4:30 pm

We're incredibly proud of our students' achievements and appreciate your continued support of the robotics program.

- Robotics Business Mentors

HOSTED BY
MHS ROBOTICS
TEAM 2992

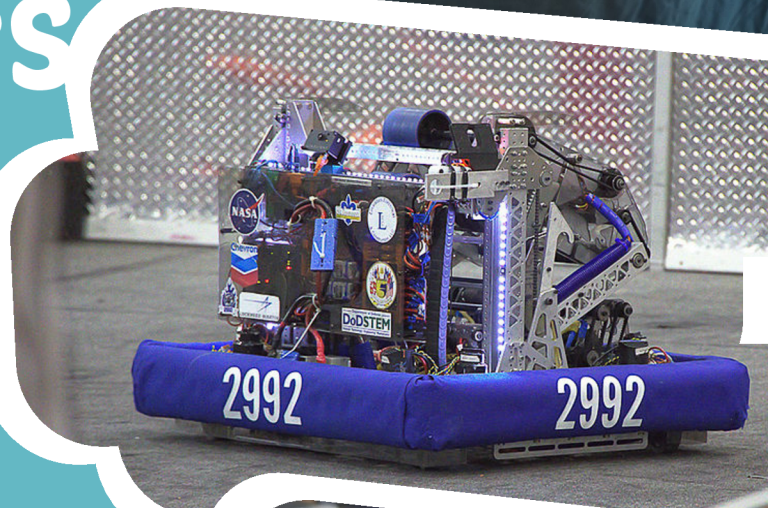

ARCTIC ANTICS SUMMER CAMP

RIISING 4TH, 5TH & 6TH GRADERS

9AM - 3PM (M-F)

BRING LUNCH, SNACKS PROVIDED

STEM CAMP

**9-13 JUNE
2025**

ROBOT CAMP

**7 -11 JULY
2025**

PER SESSION

\$300

Activities

- ✓ LEGO robots
- ✓ Programming
- ✓ Team Challenges
- ✓ Logic Based Games
- ✓ STEM Activities

LOCATION: Mandeville High School

#1 Skipper Drive, Room 801
Mandeville, LA 70471

More Information:

mandeville.robotics@gmail.com

Funds raised will support the robotics 2992 team S.S. Prometheus, covering robot construction costs, media and competition fees
